# GENERAL ORNAMENTALS

*Including Broadleaf, Deciduous and Coniferous Shrubs*

*Container and Field Grown*

*Abelia*

## ABELIA GRANDIFLORA, Glossy Abelia

Graceful evergreen shrub. Bronzy foliage, arching branches with dainty white, bell-shaped flowers. Very hardy, blooms all summer. We have thousands of unusually nice plants to offer this year at a new, low price.

18 to 24 in. B&B.....	\$ .80
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25

## ABELIA GRANDIFLORA PROSTRATA, Prostrate Abelia

Plant Patent No. 1431. Horizontal shrub with graceful arching branches, white flowers, deep green foliage. Limited supply available.

24 to 30 in. B&B.....	\$1.50
-----------------------	--------

## ACALYPHA WILKESIANA, Variegated Chenille Plant

Attractive tender plant having foliage variegated red. Color more pronounced when planted in sunny places.

1 Gallon.....	\$ .60
---------------	--------

## ADINO RUBELLA, Bronze Adino

Attractive deciduous shrub having foliage somewhat similar to that of Abelia. Round ball-like flowers of a lavender shade add to its beauty all summer. Responds very readily to shearing.

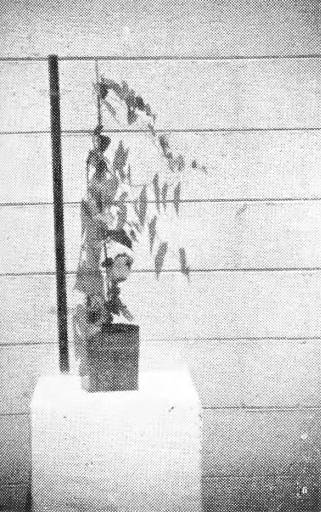

1 Gallon.....	\$ .60
3 to 4 ft. B&B.....	1.00

## AGAPANTHUS AFRICANUS, Lily of the Nile

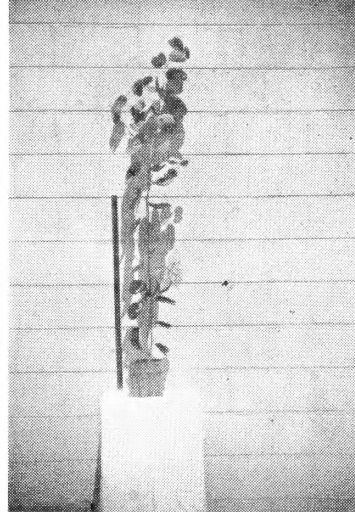

An excellent perennial plant with dark green lily-like foliage. Produces tall spikes of blue, bell-shaped flowers in rounded heads.

1 Gallon.....	\$ .60
---------------	--------

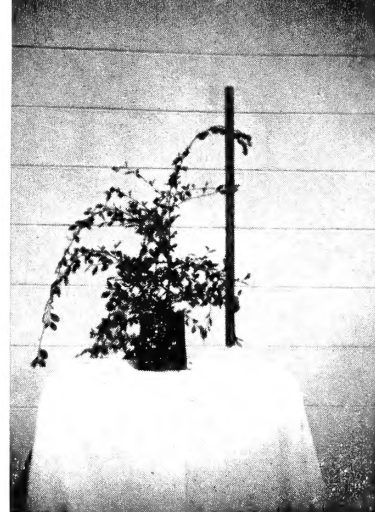

*Queen's Wreath*

*Orchid Tree*

*Cotoneaster*

*Boxwood*

*Dwf. Bamboo*

#### AGAVE WISLIZENI, Mountain Century Plant

Compact growing Agave up to two feet tall. This Agave will grow in hot or cold climate, dry or semi-moist soil. Useful in mass plantings, parks, roadsides, rock gardens.

10 to 12 in. B&B.....\$1.00

#### ALLAMANDA HENDERSONII, Cup of Gold

Evergreen shrub or vine. Large dark green, shiny leaves. Outstanding when in bloom, flowers being a deep golden yellow, trumpet shaped, about four inches across. Being tender must be protected from cold weather.

1 Gallon.....\$ .60

#### ANTIGONON LEPTOPUS, Queen's Wreath

A very popular and showy vine, rapid growing with neat green foliage. Produces masses of beautiful rosy-pink flowers.

2½ in. Pots.....\$ .09

1 Gallon, Staked......60

#### AZALEA INDICA FORMOSA

Well known, popular, fast growing Azalea with large dark green leaves and big purplish-pink flowers.

1 Gallon.....\$ .75

#### BAMBUSA FALCATA, Dwarf Bamboo

Excellent evergreen Bamboo for individual, hedge, fence and screen plantings. Reaches a height of twelve feet. Not as rank a grower as other types of Bamboo.

1 Gallon.....\$ .60

12 to 15 in. B&B..... 1.00

#### BERBERIS THUNBERGI ATROPURPUREA, Redleaf Barberry

Well known beautiful shrub having dark red foliage and stems. Its compact habit of growth adds to its many attributes. Full sun.

15 to 18 in. B&B.....\$1.25

*Berckman A.V.*

#### BIOTA AUREA CONICA, Gold Cone Arbor-Vitae

A dense, compact grower. One of the most brilliant and uniformly golden arbor-vitae available.

30 to 36 in. B&B.....\$1.50

#### BIOTA AUREA NANA, Berckman Golden Arbor-Vitae

Most popular dwarf arbor-vitae. Dwarf, compact and very symmetrical in growth. Pyramidal in shape with green foliage tipped golden yellow the year around.

15 to 18 in. B&B.....\$1.00  
18 to 24 in. B&B.....1.25  
24 to 30 in. B&B.....1.50

#### BIOTA CONICA GLAUCA, Blue Cone Arbor-Vitae

An upright growing arbor-vitae somewhat similar to Upright Bonita. Its neat, compact foliage has a bluish cast. Does well in hot, dry locations. We offer an excellent supply of beautiful plants this year.

18 to 24 in. B&B.....\$1.00  
24 to 30 in. B&B.....1.25  
30 to 36 in. B&B.....1.50

#### BIOTA BAKERI, Baker Arbor-Vitae

Very popular pyramidal arbor-vitae having pleasant light green foliage. Widely used as a taller accent conifer. Does well in most localities.

30 to 36 in. B&B.....\$1.00  
3 to 4 ft. B&B.....1.25  
4 to 5 ft. B&B.....1.50  
5 to 6 ft. B&B.....2.00

#### BIOTA BLUESPIRE, Bluespire Arbor-Vitae

Pyramidal growing type with dark green foliage that has a slight bluish effect on the tips. Very hardy.

5 to 6 ft. B&B.....\$2.00

#### BIOTA BONITA, Bonita Arbor-Vitae

Excellent dark green arbor-vitae being dwarf and globular in habit of growth. Very symmetrical. Retains same color year around.

15 to 18 in. B&B.....\$1.00  
18 to 24 in. B&B.....1.25  
24 to 30 in. B&B.....1.50  
30 to 36 in. B&B.....1.75

## BIOTA BONITA UPRIGHT, Upright Bonita Arbor-Vitae

Same dark green color as regular Bonita. A larger growing type, however, of a pyramidal habit, presenting a nice formal outline.

24 to 30 in. B&B.....	\$1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50

## BIOTA EXCELSA, Excelsa Arbor-Vitae

Pyramidal conifer of compact deep green foliage. Very valuable for landscaping and accent planting being one of the best in the pyramidal class.

30 to 36 in. B&B.....	\$1.10
3 to 4 ft. B&B.....	1.30

## BIOTA HOWARDI, Howard's Golden Arbor-Vitae

Fine, dense, golden yellow foliage. Slow growing, pyramidal in habit. A very attractive variety.

24 to 30 in. B&B.....	\$1.25
-----------------------	--------

## BIOTA RAMSEY, Ramsey's Hybrid Arbor-Vitae

Beautiful, dark green, columnar growing evergreen with round foliage and irregular branches and structure.

4 to 5 ft. B&B.....	\$1.50
5 to 6 ft. B&B.....	2.00

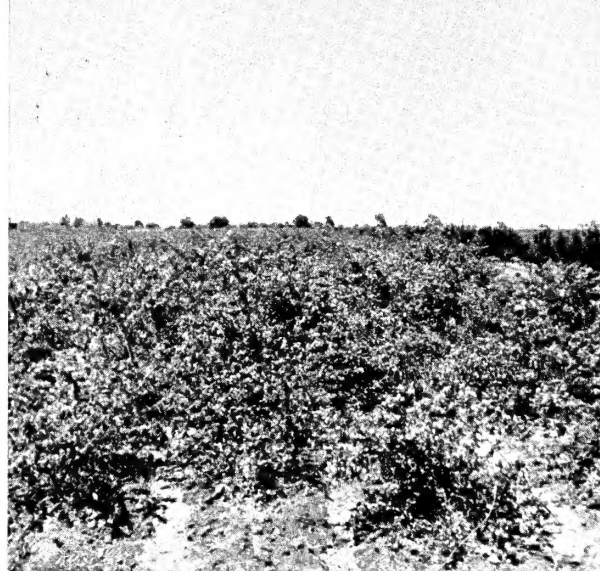

*Upright Bonita A.V.*

*Excelsa A.V.*

*Howard's Golden A.V.*

*Abelia Grandiflora*

*Ramsey A.V.*

#### BOUGAINVILLEA, AFTERGLOW

Rapid growing, hardy variety producing large multi-color flower-bracts at an early age. The bronze colored flower bracts, as they age, turn to salmon and pink shades, making a beautiful sight.

1 Gallon.....\$ .60

#### BOUGAINVILLEA, AMERICANA

An especially vigorous growing Bougainvillea with large leaves and course branches. Produces large bright red flower bracts.

1 Gallon.....\$ .60

5 Gallon.....1.50

#### BOUGAINVILLEA, BARBARA KARST

Large flowering brilliant red Bougainvillea. One of the better and most popular. Blooms at an early age.

1 Gallon.....\$ .60

#### BOUGAINVILLEA, PANAMA PINK

A good free-blooming sort of vigorous habit. Produces large clusters of beautiful light pink flower-bracts.

1 Gallon.....\$ .60

#### BOUGAINVILLEA, TEMPLE FIRE

A low growing, compact, bush type of Bougainvillea. Free blooming, producing deep red flower bracts continually during warm months.

1 Gallon.....\$ .60

#### BOULSANTHUS SPECIOSUS, Rhodesian Tree Wistaria

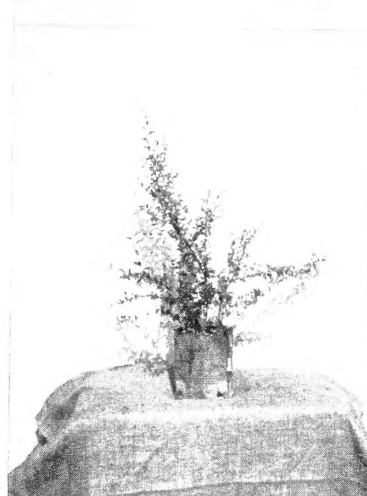

Small tree or vine similar to regular Wistaria. Evergreen but needs winter protection. Produces attractive reddish flowers in Spring and Fall.

1 Gallon.....\$ .60

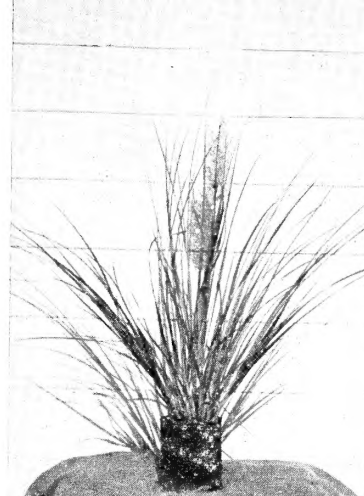

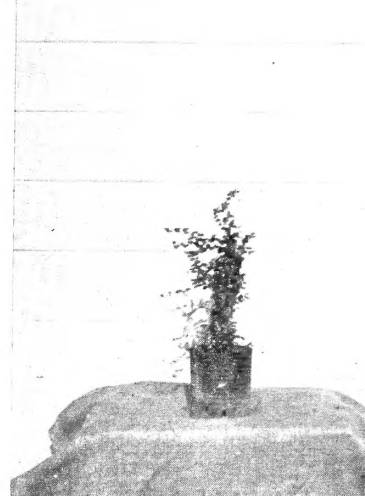

*Eucalyptus*

*Cotoneaster Pannosa*

*Pampas Grass*

*Fig Vine*

*Bottlebrush*

### **BUXUS JAPONICA, Japanese Boxwood**

Evergreen shrub of compact growth. Small green foliage. Responds excellently to shearing.

1 Gallon.....\$ .60

### **CALADIUM ESCULENTUM, Elephant Ear**

Tuberous plant having large thick stems and dark green leaves. Planted chiefly outdoors for summer display. In most areas may be wintered over safely in the ground or bulbs may be dug and stored until spring.

1 Gallon.....\$ .50

### **CALLIANDRA GULDINGI, Red Powder Puff**

Beautiful evergreen shrub with graceful, feathery foliage. Produces bright red, ball or puff shaped flowers in late Spring and Summer.

1 Gallon.....\$ .60

### **CALLISTEMON LANCEOLATUS, Bottlebrush**

Free blooming variety having bronze to light green colored foliage. Hardy, drought resistant, evergreen shrub.

1 Gallon.....\$ .60

### **CAMPHORA OFFICINALIS, Camphor tree**

An attractive evergreen tree or large bush with light green foliage. Highlighted by bronzy-red new growth in the fall and spring.

1 Gallon.....\$ .60

### **CARISSA BOXWOOD BEAUTY, Compact Natal Plum**

Unusually compact, self branching Natal Plum with dense rich green foliage. Fragrant white flowers produced in abundance.

1 Gallon.....\$ .75

### CARISSA GRANDIFLORA PROSTRATA,

#### Prostrate Natal Plum

Medium size, low spreading evergreen shrub with rounded dark green glossy foliage. Fragrant, waxy white flowers decorate the plant nicely. Bright red edible fruit adds to its beauty. Plant in full sun. Protect from cold in areas where temperatures go below twenty-four degrees.

1 Gallon.....\$ .60

### CASSIA ALATA, Emperor Candlestick

Tropical shrub or small tree with large bright green foliage. It produces quantities of large golden-yellow flowers in the fall arranged like candelabras.

1 Gallon.....\$ .60

### CASSIA ARTEMISIOIDES, Feathery Cassia

Hardy shrub having silvery-gray, finely cut foliage. Bright yellow flowers cover the plant in the Spring. Does well in hot, dry locations.

1 Gallon.....\$ .60

### CEDRUS DEODARA, Deodare Cedar

Makes a tall broad-based pyramidal plant of silvery green foliage. One of the most desirable large conifers. Hardy, does best in full sun.

3 to 4 ft. B&B.....\$2.50

4 to 5 ft. B&B.....3.50

5 to 6 ft. B&B.....4.50

### CESTRUM PARQUI, Night Blooming Jasmine

Medium growing shrub with light green foliage. Produces tubular creamy yellow blossoms which are very fragrant at night; the only time the flowers are open.

1 Gallon.....\$ .60

### CITRUS MEYER LEMON

Regular Citrus foliage and fragrant flowers make a beautiful ornamental shrub. Produces Lemons of good quality almost all year.

1 Gallon.....\$ .75

### COCOS PLUMOSUS, Cocos Plumosus Palm

A fast growing ornamental Palm. The slender smooth boles and heads of graceful recurving leaves make this a very attractive tree.

1 Gallon.....\$ .60

### CODIAEUM, Croton

Crotons are prized chiefly for the varied and brilliant colorings of the leaves. There are many forms of handsome and odd foliage. They are tender and should be kept indoors. We offer a good assortment of well colored plants.

5 in. pots.....\$ .75

---

*We wish each and everyone of you a very successful season and are looking forward to the opportunity of serving you in your needs.*

*Cotoneaster Parnayi*

*Pampas Grass*

*Bottlebrush*

#### CORTADERIA ARGENTEA, Pampas Grass

Extremely hardy plant of wiry grass-like foliage producing beautiful white plumes.

1 Gallon.....	\$ .60
18 to 24 in. B&B.....	1.00

#### COTONEASTER PANNOSA, Silver Leaf Cotoneaster

Tall graceful shrub attractively clothed with small silvery-gray leaves. Clusters of white flowers in spring followed by bright red berries in the fall and winter. Very hardy, growing well in most areas. Will stand more cold than Parnayi.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

#### COTONEASTER PARNAYI, Red Clusterberry

Evergreen shrub with deep green, luxuriant foliage. Large clusters of brilliant red berries borne in profusion. An excellent landscape plant doing well in all locations.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

#### CUPHEA HYSSOPIFOLIA PURPUREA

Small, dense growing tropical shrub similar in appearance to compact Myrtle. Tiny green leaves crowned with small tubular purplish flowers all summer.

1 Gallon.....	\$ .60
---------------	--------

#### CUPHEA HYSSOPIFOLIA RUBRA

Same small evergreen shrub described above except producing rosy-red blossoms.

1 Gallon.....	\$ .60
---------------	--------

#### CUPRESSUS ARIZONICA, Arizona Cypress

Tall pyramidal conifer with silvery-gray foliage. Very hardy and fast growing.

1 Gallon.....	\$ .60
---------------	--------

*Elaeagnus*

### CUPRESSUS SEMPERVIRENS GLAUCA, Italian Cypress

Conifer making tall narrow column. This type has bluish-green foliage. Cutting grown, insuring true type.

1 Gallon.....\$ .60

### CUPRESSUS SEMPERVIRENS WORTHIANA, Worthiana Italian Cypress

Symmetrical narrow column having bright green foliage. Larger and more rapid growing than Glauca listed above. Keeps its attractive shape even after attaining considerable size.

1 Gallon.....\$ .60

*Euonymous Silver Edge*

### CYDONIA JAPONICA RUBRA, Flowering Quince

Deciduous shrub having glossy-green foliage producing bright red flowers in early spring. This is the true upright red variety. Very hardy.

30 to 36 in. B&B.....\$1.00

3 to 4 ft. B&B.....1.25

### ELAEAGNUS SIMONI, Silverberry

Hardy evergreen shrub well suited for foundation and hedge uses. Medium sized leaves have a frosty appearance with brownish specks on top; silvery beneath.

15 to 18 in. B&B.....\$ .80

18 to 24 in. B&B.....1.00

24 to 30 in. B&B.....1.25

30 to 36 in. B&B.....1.50

3 to 4 ft. B&B.....2.00

## ERIOBOTRYA JAPONICA, Loquat

Small to medium size shrub or tree with large, dark green leaves, tropical in appearance. Bears pear-shaped edible yellow fruits. Commonly referred to as Japanese Plum.

1 Gallon.....	\$ .60
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	1.75
5 to 6 ft. B&B.....	2.00

Loquat is also valuable as an ornamental tree. We offer single stem trees of nice caliper with well developed heads.

6 ft. Standards.....	\$2.50
----------------------	--------

## EUONYMOUS JAPONICA, Green Euonymous

A very popular evergreen shrub of moderate size with rounded, glossy, dark green leaves. Will stand shearing well. Hardy under most conditions.

18 to 24 in. B&B.....	\$1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

## EUONYMOUS JAPONICA ALBA MARGINATA, Silver Edge Euonymous

Attractive evergreen shrub, having small, pointed to rounded leaves, grey-green in color with silver edging. Grows more dense than the common green, upright habit of growth. We offer thousands of beautiful sheared plants at an attractive price this year.

30 to 36 in. B&B.....	\$1.25
-----------------------	--------

## EUONYMOUS JAPONICA AUREO MARGINATA, Gold Edge Euonymous

Rounded light green leaves margined with an at-

tractive bright golden coloration. Not too tolerant of full sun, for best results plant in partial shade.

1 Gallon.....	\$ .60
---------------	--------

## EUONYMOUS JAPONICA AUREO VARIEGATA, Gold Spot Euonymous

Medium sized shrub having foliage with bright yellow centers and dark green margins. Somewhat formal in growth. Very popular.

1 Gallon.....	\$ .60
5 Gallon.....	1.50
15 to 18 in. B&B.....	1.25
18 to 24 in B&B.....	1.50
24 to 30 in. B&B.....	2.00

*Fatshedera*

*Boston Fern*

*Loquat*

*Elephant Ear*

*Arizona Cypress*

**EUONYMOUS JAPONICA PULCHELLA, Dwarf Euonymous**

Small dark green leaves, dwarf compact growth.  
Excellent as a small hedge, planter, or edging plant.  
Hardy, slow growing.

1 Gallon.....\$ .60

**EUONYMOUS SILVER QUEEN**

A slow growing evergreen shrub having light green pointed leaves with a creamy silver margin. Seems to do best in a partial shade area.

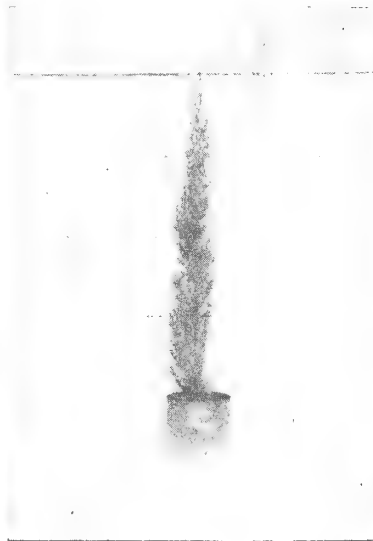

1 Gallon.....\$ .60

*Compact Myrtle*

*Grand Duke Jasmine*

*Italian Cypress*

*Ixora*

*Hibiscus*

*Gardenia Grandiflora*

*Crinkle-Leaf Ligustrum*

*Climbing Fig*

#### FATSHEDERA LIZEI, Botanical Wonder

Large glossy Hedera type leaves. Semi-climbing evergreen best suited for shade planting.

1 Gallon.....\$ .60

#### FEIJOA SELLOWIANA, Pineapple Guava

Vigorous growing evergreen shrub with gray-green foliage. Waxy white flowers with attractive red stamens. Pale green edible fruits. Hardy.

30 to 36 in. B&B.....\$1.50

3 to 4 ft. B&B.....2.00

#### FICUS REPENS, Climbing Fig

An evergreen climber with a close growing, clinging habit. Small round dark green foliage.

1 Gallon.....\$ .60

#### FERN

Ornamental plant of numerous species adapted to indoor and outdoor planting. They thrive best in moist shady locations. We grow and maintain a good supply of the following species available during most of the year with the exception of the winter months:

##### BOSTON, Sword Fern

Straight, flat fronds of a pleasing light green.

1 Gallon.....\$ .50

##### ASPARAGUS PLUMOSUS, Lace Fern

A fine feathery fern-leaved plant of hardy character.

3 inch Pot.....\$ .12

1 Gallon......45

##### ASPARAGUS SPRENGERI, Emerald Feather

Fine short needle-like foliage on long hanging fronds. Produces red berries.

3 inch Pot.....\$ .12

1 Gallon......45

*Fortune Gardenia*

### FORSYTHIA SPECTABILIS, Golden Bell

Considered one of the best of all Forsythia. Slender arching branches, handsome dark green foliage, golden yellow flowers. Deciduous. Plant in full sun.

30 to 36 in. B&B.....\$1.00

### GARDENIA FORTUNEII, Fortune Gardenia

Dark, waxy-green foliage. Produces double white, fragrant blossoms in profusion during spring and fall, occasionally during summer. Classed as ever-blooming.

18 to 24 in. B&B.....\$1.00  
 24 to 30 in. B&B.....1.25  
 30 to 36 in. B&B.....1.50

### GARDENIA GRANDIFLORA, Cape Jasmine

Best known and most popular of the Gardenia producing fragrant double white blossoms. Attractive dark green foliage. Blooms profusely in the spring followed by a fall blooming period.

24 to 30 in. B&B.....\$1.25  
 30 to 36 in. B&B.....1.50

### HEDERA, Ivy

Ornamental evergreen climbing vines grown for their handsome and persistent foliage. The ivy is very valuable for a wide range of uses; covering walls, rocks, trees, trellises as well as planter box, garden and ground cover use. It grows in almost any soil but best in a somewhat moist and shadier position. Available in the following varieties:

#### CANARIENSIS VARIEGATA, Variegated Ivy

Decorative ivy, glossy green, ivory white medium sized leaves.

2½ in. pots.....\$ .15

#### GLACIER, Glacier Ivy

Small green and ivory leaves. Self-branching.

2½ in. pots.....\$ .20

#### GOLD DUST, Gold Dust Ivy

Attractive small variegated golden yellow and green leaves.

2½ in. pots.....\$ .18

#### HELIX, English Ivy

Popular dark green Ivy always in demand. One of the most hardy and versatile.

2½ in. pots.....\$ .15

## HEMEROCALLIS, Yellow Day Lily

Popular yellow flowered perennial with abundant grass-like foliage. Prized for its hardiness and showy yellow funnel-like blossoms.

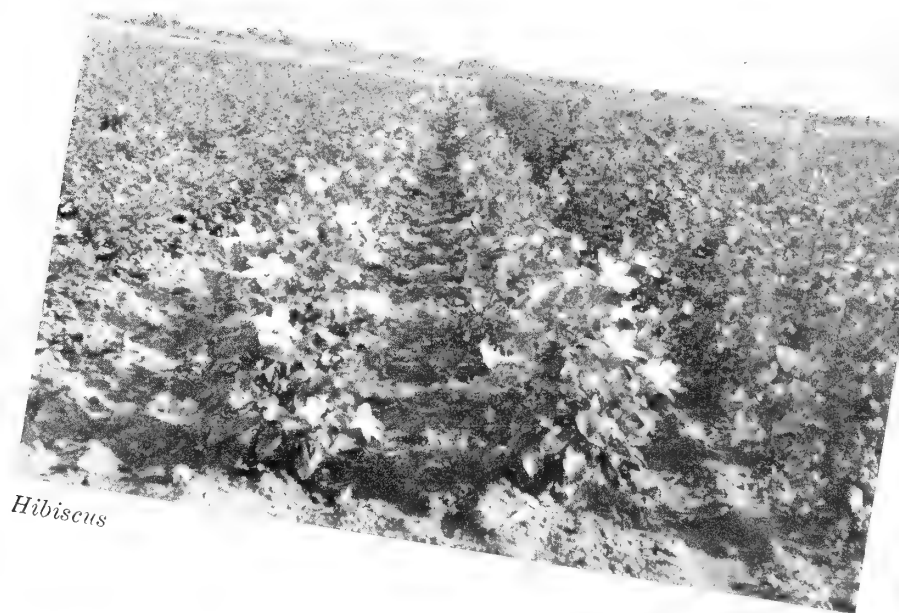

1 Gallon.....\$ .60

## HIBISCUS ROSA SINENSIS, Hibiscus

We offer the choicest varieties representing a wide range of colors. The lustrous green foliage and gorgeous blossoms envelope the plant at all seasons of the year until checked by frost in the late fall. They have gained wide popularity in recent years and are always in demand. Easily grown plants which may be used as individual specimens, groups, borders, hedges, patio or tub plants.

Usually available in the following varieties:

Aldalaran.....	Large single rose-red
American Beauty.....	Double wine-red
Brilliantissima.....	Large single scarlet
Columbia.....	Double coral-red
Coral Beauty.....	Double shrimp-pink
Euterpe.....	Large single apricot
Florida Gem.....	Single, cerise-vermilion
Golden Dawn.....	Single rich gold
Hendry.....	Double yellow
Honolulu.....	Single white, wine throat
Jack London.....	Single red, black throat
Kona.....	Double bright pink
Lamberti.....	Double crimson
Lutea.....	Single lemon, wine throat
Madam X.....	Double variegated, white and red

Mrs. Johnson.....	Outstanding large single pink
Painted Lady.....	Single dark pink
Peach Blow.....	Double shell-pink
Pride of Hankin.....	Double rose-red
Psyche.....	Small single scarlet
Purity.....	Large single white
Spanish Red.....	Single brick-red
Sunset.....	Single lemon yellow

Any of the above are priced:

3 in. Pots.....	\$ .20
1 Gallon.....	.60
5 Gallon.....	1.20
Heavy, B&B.....	1.00

### HIBISCUS SYRIACUS, Althea Ardens

Excellent double lavender Rose of Sharon. Profuse bloomer during the warm months. Deciduous.

3 to 4 ft. B&B.....\$1.00

### HIBISCUS SYRIACUS, Althea Lady Stanley

Double shell pink flowers with darker markings near the center. Attractive dark green cut leaf. Very free blooming, outstanding during summer months. These are heavy individual field grown plants.

1 Gallon.....\$ .60

3 to 4 ft. B&B..... 1.00

4 to 5 ft. B&B..... 1.25

### HYDRANGEA HORTENSIS

The best variety of Hydrangea for outdoor planting. Does best in shade or partial shade with considerable moisture. Produces masses of pink and blue flower heads.

1 Gallon.....\$ .75

### HYPERICUM MOSERIANUM, Gold Flower

Low, compact evergreen shrub producing an abundance of golden yellow blossoms. Attractive light green foliage. Easily grown and very hardy. This variety stands the heat and dry winds better than any other type.

15 to 18 in. B&B.....\$1.00

18 to 24 in. B&B..... 1.25

24 to 30 in. B&B..... 1.50

### ILEX ALTA CLARENSIS WILSONI, Wilson Holly

A large shrub clothed with large dark green spined leaves. Bright red holly berries freely produced. Trial plantings indicate it will stand our hot, dry conditions.

15 to 18 in. B&B.....\$1.50

### ILEX CORNUTA, Chinese Holly

Very hardy evergreen shrub with stiff, bright green, holly-like leaves. Clusters of bright red berries add to its attractiveness. Better adapted to dry alkaline regions than Burfordi Holly.

5 Gallon.....\$1.50

### ILEX CORNUTA BURFORDI, Burford Holly

Deep, dark green foliage almost without spines. Bears clusters of brilliant red berries in winter.

1 Gallon.....\$ .60

### ILEX VOMITORIA, Yaupon Holly

Excellent evergreen shrub that does well in almost all localities. Bears small bright red berries. Medium sized to small oval shaped light green leaves. Ready response to shearing adds to its popularity.

12 to 15 in. B&B.....\$ .80

### ILEX VOMITORIA NANA, Dwarf Yaupon Holly

A low, dwarf growing type of Yaupon. Hardy, very durable.

1 Gallon.....\$ .60

15 to 18 in. B&B..... 1.50

## IXORA COCCINEA, Flame of The Woods

Evergreen shrub with large oval shaped green leaves. Responds to shearing very nicely. Produces clusters of showy orange-red flowers. A very showy plant for warmer localities. Plant in full sun.

1 Gallon.....\$ .60

## JASMINUM FLORIDUM (Humile), Italian Jasmine

Low-growing evergreen shrub with arching branches clothed with small, dark green leaves. Bears a profusion of small, single, golden yellow flowers. A very desirable plant. An excellent stock this year.

15 to 18 in. B&B.....\$ .75  
18 to 24 in. B&B.....1.00  
24 to 30 in. B&B.....1.25  
30 to 36 in. B&B.....1.50

## JASMINUM PARKMAN, Parkman's Jasmine

Dwarf spreading type jasmine with tiny, dark green leaves and single yellow flowers.

10 to 12 in. B&B.....\$1.00

## JASMINUM PRIMULINUM, Primrose Jasmine

Similar to Italian Jasmine, having larger foliage and flowers. Rich green stems and leaves. Rank grower but responds to shearing quite well.

30 to 36 in. B&B.....\$1.00  
3 to 4 ft. B&B.....1.25

*Gardenia Fortunei*

## JASMINUM REVOLUTUM

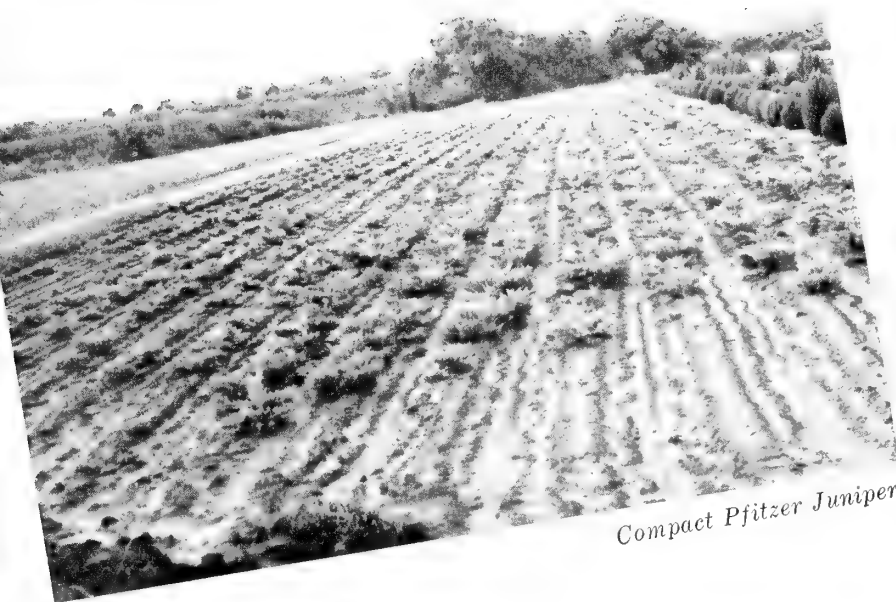

Hardy, fast growing, upright evergreen shrub. Nice dark green foliage combined with golden yellow flowers make this a very desirable plant.

18 to 24 in. B&B.....\$ .75  
3 to 4 ft. B&B.....1.25

## JASMINUM SAMBAC, Grand Duke Jasmine

Tender shrub having rounded, dark green leaves. Double, creamy white, deliciously fragrant blossoms. After freezing down in fall generally comes back from the crown in spring.

1 Gallon.....\$ .60  
18 to 24 in. B&B.....1.00

*Compact Pfitzer Juniper*

#### JUNIPERUS CHINENSIS FOEMINA, Sylvester Juniper

Hardy Juniper that grows in a pyramidal form. Light green foliage always neat in appearance. Trim to produce compactness. These are grafted and staked plants.

30 to 36 in. B&B.....	\$1.50
3 to 4 ft. B&B.....	2.00
4 to 5 ft. B&B.....	2.50
5 to 6 ft. B&B.....	3.00

PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.

#### JUNIPERUS CHINENSIS PFITZERIANA, Pfitzer Juniper

Hardy, low growing Juniper with a spreading habit of growth. Soft, deep green foliage. Excellent plant for foundation, ground cover and low accent plantings. We have thousands available this year in beautiful sheared plants at very attractive prices.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25
24 to 30 in. B&B.....	1.50
30 to 36 in. B&B.....	2.00

#### JUNIPERUS CHINENSIS PFITZERIANA COMPACTA, Compact Pfitzer Juniper

A more refined, dense grower than regular Pfitzer. Sometimes referred to as Dwarf Pfitzer. Attractive blue-green foliage. We have a large supply of especially nice plants to offer.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	1.75

#### JUNIPERUS CHINENSIS PSEUDO PFITZERIANA, Texas Star Juniper (Blue Vase Juniper)

A beautiful, blue-foliaged, dense growing, vase shaped Juniper. Originated in the Gulf Coast area. Very little shearing necessary as it grows naturally compact. More refined than Pfitzer.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	2.00

#### JUNIPERUS CHINENSIS TORULOSA, Hollywood Juniper

Dark green, large pyramidal Juniper similar to Canaerti. The tendency to have twisted, unusual shaped branches make it very distinctive.

5 Gallon.....	\$2.00
30 to 36 in. B&B.....	2.00

### JUNIPERUS GLAUCA HETZI, Hetz Juniper

Similar to Pfitzer but having a tendency to grow slightly more upright. A very hardy type with silver-blue foliage. Rather fast growing.

18 to 24 in. B&B.....	\$1.25
24 to 30 in. B&B.....	1.50
30 to 36 in. B&B.....	1.75

### JUNIPERUS SABINA, Savin Juniper

A low growing, spreading type Juniper with coarse, dark green foliage. Responds very well to shearing. A hardy type, standing heat and cold as well as drought.

18 to 24 in. B&B.....	\$1.25
-----------------------	--------

### JUNIPERUS SABINA VONEHRON, Von Ehron Juniper

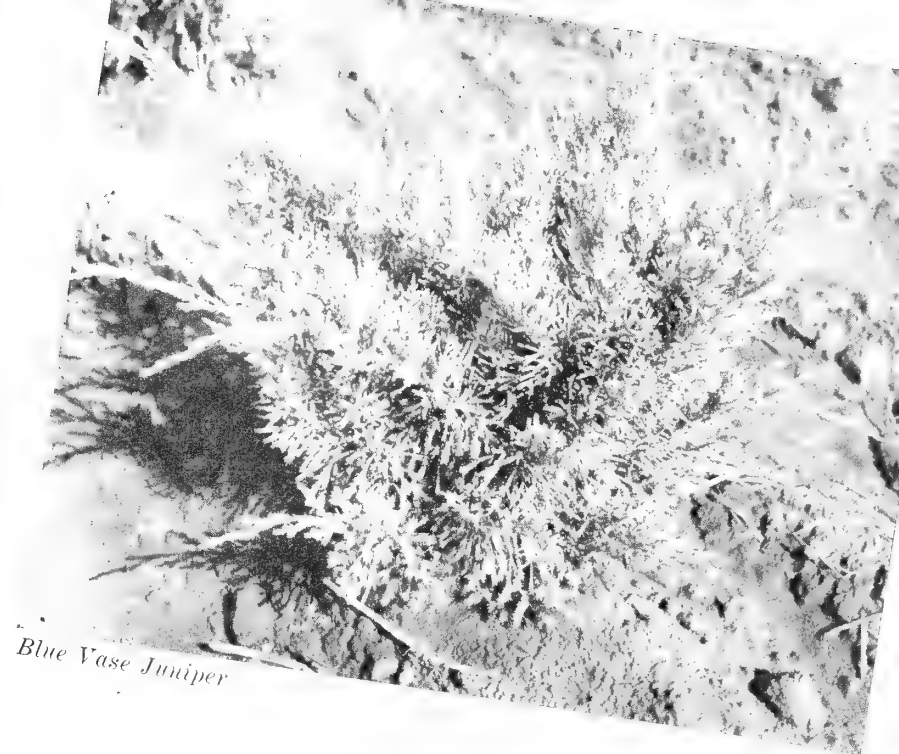

One of the better prostrate Junipers. Fast growing, spreading. The dark green foliage is unaffected by hot sun or dry winds. Its ready response to shearing adds to its value.

18 to 24 in. B&B.....	\$1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50
3 to 4 ft. B&B.....	2.00

### JUNIPERUS VIRGINIANA KETEELEERI, Keteleer Juniper

Another pyramidal growing Juniper. Attractive light green foliage. Very hardy. Responds to shearing well and should be trimmed to induce compactness. The plants offered here have been sheared.

5 to 6 ft. B&B.....	\$3.00
---------------------	--------

*English Laurel*

*Red Crape Myrtle*

*Pink Crape Myrtle*

**LAGERSTROEMIA INDICA ALBA, White Crape Myrtle**

Shrub or small tree producing large, ruffled, snowy-white flowers in profusion. Dark green foliage.

5 to 6 ft. Standards, B.R.....\$1.50

**LAGERSTROEMIA INDICA PURPUREA,  
Purple Crape Myrtle**

One of the hardiest varieties of Crape Myrtle. Produces masses of purple flowers on erect growing branches.

18 to 24 in. B.R.....\$ .40  
24 to 30 in. B.R......50  
5 to 6 ft. Standards, B.R..... 1.50

**LAGERSTROEMIA INDICA ROSEA, Pink Crape Myrtle**

May be grown as a large shrub or small ornamental tree. Becomes a mass of crepe-textured, rose-red flowers during its blooming season.

4 to 5 ft. B.R.....\$ .75

**LAGERSTROEMIA INDICA RUBRA, Red Crape Myrtle**

Large deciduous shrub or small tree producing an abundance of watermelon-red blossoms having a crepe-like texture.

1 Gallon.....\$ .60  
15 to 18 in. B.R......40  
18 to 24 in. B.R......50  
4 to 5 ft. B.R......75

**LANTANA DWARF GOLD**

A trailing yellow lantana having attractive dark green foliage. Produces masses of bright golden yellow flowers all season. A valuable plant for a wide variety of uses.

1 Gallon.....\$ .60

---

*PLEASE NOTE: Consult terms and conditions, inside back cover before ordering. All accounts past due will be charged 6% interest per annum.*

## LANTANA SELLOWIANA, Trailing Lantana

An excellent ground cover or spreading shrub making a dense mass of deep green foliage. Bears clusters of lavender blossoms adding to its popularity.

1 Gallon.....\$ .50

## LAURUS OFFICINALE, English Laurel

A medium sized evergreen shrub attractively clothed with large, dark green leaves.

18 to 24 in. B&B.....\$1.25

24 to 30 in. B&B.....1.50

30 to 36 in. B&B.....2.00

## LAVENDULA VERA, English Lavender

Dwarf compact perennial shrub. Narrow, silvery-gray foliage contrasts nicely with other shrubs. Produces fragrant lavender blossoms. Plant in sun with good drainage.

1 Gallon.....\$ .60

## LEUCOPHYLLUM COMPACTA, Compact Senisa

This is a more refined plant than the native type of Senisa. It grows more compact without shearing and produces beautiful dark lavender blossoms. When in full bloom the lavender color is set off to perfection by the silvery-gray foliage. Being cutting grown you are assured of uniformity of growth and bloom. We are proud to offer thousands of the field grown and several thousand of the five gallon size. Every retail sales outlet in the state should stock this universally demanded plant. Note the pictures to right of the stock available this year.

1 Gallon.....\$ .60

5 Gallon.....1.50

15 to 18 in. B&B.....1.25

18 to 24 in. B&B.....1.50

WE HAVE THE LARGEST AND FINEST STOCK OF  
COMPACT SENISA IN THE WORLD.

*Compact Senisa*

*Compact Senisa*

### LIGUSTRUM CILIATUM VARIEGATA

A spreading shrub similar to wax leaf. Its foliage is somewhat more narrow and pointed with a yellow variegation.

18 to 24 in. B&B.....	\$1.00
24 to 30 in. B&B.....	1.25

### LIGUSTRUM CORIACEUM

A very dwarf growing waxleaf having thick, dark green crinkled round foliage. Very suitable where a small broadleaf is needed.

10 to 15 in. B&B.....	\$1.25
-----------------------	--------

### LIGUSTRUM JAPONICA, Japanese Privet

Vigorous growing hedge plant with large, dark green leaves. May be used as an individual plant or trimmed into low tree as well. Fast growing and very hardy. Our low prices on this specialty item is in keeping with our policy of Better Quality, Better Value.

2 to 3 ft. B&B.....	\$ .65
3 to 4 ft. B&B.....	.75

### LIGUSTRUM JAPONICA CRINKLE-LEAF, Crinkle Leaf Japanese Privet

A newer, comparatively unknown variety that is sure to increase in popularity. Slow growing, upright columnar habit makes this plant far superior to common Ligustrum Japonica. It may well be used as individual specimen plants or as hedges.

5 Gallon.....	\$1.75
15 to 18 in. B&B.....	1.20
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	1.75
5 to 6 ft. B&B.....	2.50
6 to 7 ft. B&B.....	4.00

This Ligustrum is also very attractive as an ornamental tree. Those offered here are straight trunked with well balanced heads. Rather ascending in habit but ready response to shearing produces full tops.

5 ft. Standards, B&B.....	\$2.50
---------------------------	--------

Crinkle Leaf Ligustrum

## LIGUSTRUM LUCIDUM COMPACTUM

### Compact Wax Leaf

Excellent evergreen shrub with thick, glossy, dark green leaves. One of the most popular ornamental broadleaves adaptable to a wide range of uses. Vigorous growing, disease free shrub. Responds to shearing very well.

1 Gallon.....	\$ .60
5 Gallon.....	1.25
18 to 24 in. B&B.....	.80
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	2.00

*Wax Leaf*

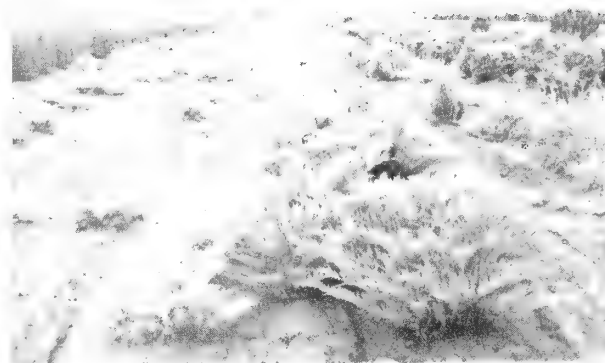

*Another Block of Wax Leaf*

Pictured above is a five acre block of compact Wax Leaf. There are nearly 25,000 plants in this one block. We have other plantings of Wax as well, but the above is the largest single block. These plants have been sheared twice and will be good, heavy developed stock. Note our new price schedule on the 18 24", 24 30" and 30 36" grades. You cannot afford to be without a good selection in your yard of these Better Quality—Better Value Plants.

*Nothing Sold At Retail*

*Suwannee River Wax*

*Von Ehron Juniper*

*Wax Leaf*

*Vicary Ligustrum*

#### LIGUSTRUM LUCIDUM REPANDUM

An upright and spreading grower nearly as hardy as Wax. Smaller, slightly round dark green foliage has a slight crinkle characteristic.

24 to 30 in. B&B.....	\$1.25
30 to 36 in. B&B.....	1.50

#### LIGUSTRUM LUCIDUM SUWANNEE RIVER, Suwannee River Waxleaf

Plant Patent No. 1402. A new hardy dark green wax leaf of low spreading habit. The compact foliage is very dense, requires little, if any shearing. May be used where a smaller and slower growing plant is needed. Introduced by Wight Nurseries and grown and sold under license. We have some very nice plants to offer this year.

18 to 24 in. B&B.....	\$1.50
24 to 30 in. B&B.....	2.00
30 to 36 in. B&B.....	2.50

## LIGUSTRUM OVALIFOLIUM, California Privet

Rapid growing evergreen shrub having closely set, dark green leaves. Widely used for hedges or clipped individual specimens. Easily grown and hardy in all localities.

2 to 3 ft. B&B.....	\$ .65
3 to 4 ft. B&B.....	.75
4 to 5 ft. B&B.....	.90

*Vicary Ligustrum*

## LIGUSTRUM OVALIFOLIUM VARIEGATA,

### Golden California Privet

An excellent evergreen shrub attractively clothed with golden-yellow leaves. Having an upright habit of growth is well adapted to hedge as well as individual specimen plantings.

15 to 18 in. B&B.....	\$ .75
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

## LIGUSTRUM SINENSE, Amur River Privet

Small round dark green leaves. Good dense grower making it ideal for hedge work. Very hardy, growing well in all localities.

2 to 3 ft. B&B.....	\$ .65
3 to 4 ft. B&B.....	.75

## LIGUSTRUM VICARI, Vicary Ligustrum

Dense compact growing shrub. Mature foliage yellow variegated while new growth is solid golden yellow. Responds to shearing readily.

15 to 18 in. B&B.....	\$ .75
30 to 36 in. B&B.....	1.50

## LIRIOPE MAJESTICA

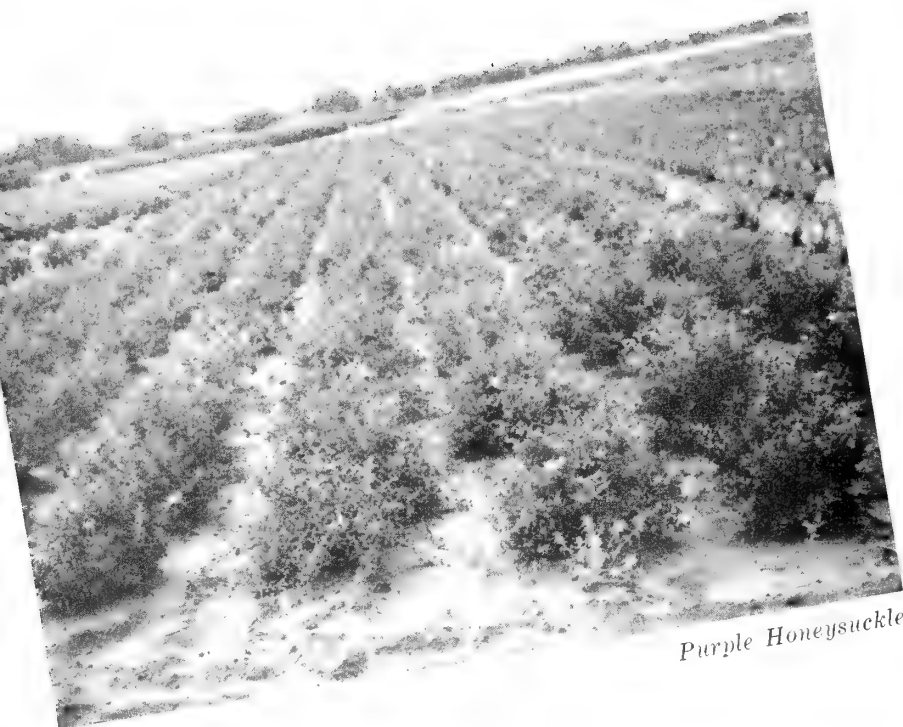

Medium wide grass-like leaves of dark green. Grows fifteen to twenty inches high. Violet-blue spikes during summer. One of the best for border, ground cover or specimen plantings.

1 Gallon.....	\$ .60
---------------	--------

---

*Please forward your orders a few days before delivery. This will enable us to select better stock and insure delivery when you want it.*

*Purple Honeysuckle*

#### **LONICERA HECKROTTI, Heckrott Honeysuckle**

Everblooming, semi-evergreen vine with large oval leaves. Produces brilliant red and yellow honeysuckle flowers.

1 Gallon.....	\$ .60
18 to 24 in. B&B.....	1.00

#### **LONICERA JAPONICA PURPUREA, Purple Leaf Honeysuckle**

Referred to as Texas Honeysuckle. Evergreen having purplish foliage and white-tinted pink flowers. Very hardy plant with many varied uses.

1 Gallon.....	\$ .60
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25

*Golden California Privet*

#### **LONICERA JAPONICA VARIEGATED, Goldnet Honeysuckle**

Attractive foliage, net like pattern of green over yellow. Climbing or prostrate, ready response to shearing. Handsome variety suitable for wide usage.

15 to 18 in. B&B.....	\$1.00
-----------------------	--------

#### **LONICERA SEMPERVIRENS, Scarlet Trumpet Honeysuckle**

Everblooming shrub or vine, vigorous grower, large glaucous foliage. Brilliant coral red and yellow honeysuckle blooms.

18 to 24 in. B&B.....	\$1.00
-----------------------	--------

Wax Leaf

Magnolia

Crape Myrtle

Common Banana

Abyssinian Banana

### MAGNOLIA GRANDIFLORA, Southern Magnolia

Well known, stately evergreen tree having large, dark green leaves. Immense white flowers are very fragrant. We have an especially nice block to offer this year, well balanced supply in all grades. At these new, more reasonable prices they should readily sell at the retail level.

### MALPIGHIA COCCIGERA

Small dark green spiny leaves, pinkish-white blossoms followed by small, round red fruits. A good holly-like plant. Useful for individual plantings or dwarf hedging. Tender, should be placed in protected areas.

1 Gallon.....	\$ .60
---------------	--------

More, and more dealers are buying and stocking ALDRIDGE GROWN material. A more complete line of Better Quality—Better Value stock is the reason why.

Purple Honeysuckle

*Magnolia Grandiflora*

*Compact Myrtle*

*Variegated Myrtle*

#### MALPIGHIA GLABRA, Barbados Cherry

Evergreen shrub thickly clothed with small, light green foliage. Clusters of pink flowers all summer followed by bright red, cherry-like berries. Winter kills but makes a rapid come back in the spring.

5 Gallon.....\$1.50

#### MALVAVISCUS ARBOREUS, Turk's Cap

Fine shrub with heart shaped leaves, light green in color. Produces erect, scarlet flower buds which never fully expand. Hardy, will freeze down in Winter but comes back readily in the Spring.

1 Gallon.....\$ .60

#### MUSA ENSETE, Abyssinian Banana

A large growing Banana with long, broad fronds having a characteristic red tint to the middle rib. Ideal subject for tropical effects. Not as hardy as the following Sapientum.

1 Gallon.....\$ .75

#### → MUSA SAPIENTUM, Common Banana

When plants of a tropical effect are desired the Banana is ideal. Highly ornamental having wide, long, dark green leaves. Tender to cold and should be planted in a rather protected location.

1 Gallon.....\$ .60

5 Gallon.....1.00

### MYRTUS COMPACTA, Compact Myrtle

Small, aromatic, dark green leaves. Medium grower of a globular and very compact habit. Creamy white flowers profusely borne in spring. Very valuable in landscape work.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

### MYRTUS COMMUNIS, German Myrtle

A dense compact growing evergreen with small dark green shiny leaves. Creamy-white flowers cover the plant in early spring.

5 Gallon.....	\$1.50
---------------	--------

### MYRTUS COMMUNIS VARIEGATA, Variegated German Myrtle

Same growing habits as the above except for white, cream, silver and green variegated foliage. Responds beautifully to shearing. An ideal specimen plant or makes a most attractive hedge. Adaptable to a wide range of soil conditions.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

## NERIUM, Oleander

Large evergreen shrub having long, narrow, pointed dark green leaves and showy flower clusters spring to fall. Very hardy, thriving in all localities with a minimum of care. We are offering an excellent supply of quality field grown plants of the following sorts:

*Apple Blossom Oleander*

*Dbl. Pink Oleander*

**APPLE BLOSSOM**—One of the most popular, probably due to its long and continual blooming period. Produces good sized clusters of clear shell-pink blossoms in profusion. Will stand more cold than any other variety listed with the exception of the Single Hardy Red. Single.

1 Gallon.....	\$ .50
30 to 36 in. B&B.....	.75

**CERISE**—Brilliant, single rose-red flowers produced in abundance. Blooms are more fragrant than most varieties. Upright habit of growth.

3 to 4 ft. B&B.....	\$1.00
4 to 5 ft. B&B.....	1.25

**DOUBLE CREAM**—Vigorous upright grower, blooming in spring and fall. Large clusters of double cream flowers.

30 to 36 in. B&B.....	\$ .75
3 to 4 ft. B&B.....	1.00

**DOUBLE PINK**—Vigorous upright grower. Very hardy free blooming type, producing numerous clusters of beautiful double rose-pink flowers.

1 Gallon.....	\$ .50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

**DOUBLE RED**—Very similar in habit and appearance to double pink. Large, double, rich red, sometimes streaked with white.

30 to 36 in. B&B.....	\$ .75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

**DOUBLE WHITE**—Another vigorous grower blooming profusely with large clusters of clear double white blossoms.

30 to 36 in. B&B.....	\$ .75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

**MRS. ROEDING**—Being somewhat dwarf in habit of growth does not grow as tall as most sorts. This variety is indeed a beautiful sight when covered with its double salmon flowers.

1 Gallon.....	\$ .50
4 to 5 ft. B&B.....	1.25

**SCARLET BEAUTY**—A new beautiful, vivid single red. One of the most profuse bloomers, the plant being consistently covered with large clusters of showy dark red blooms. We predict a great future for this Oleander, knowing it will be acclaimed where ever Oleanders will grow. Our own introduction, a good supply available.

1 Gallon.....	\$ .50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

**SINGLE HARDY RED**—The hardiest of all Oleander. This sort has stood severe weather of below twenty degrees without freezing. Good clusters of large, bright red flowers.

30 to 36 in. B&B.....	\$ .75
3 to 4 ft. B&B.....	1.00

*Dbl. Pink Oleander*

**SINGLE WHITE**—Vigorous upright-growing plant producing numerous clusters of single pure white blossoms.

4 to 5 ft. B&B.....	\$1.25
5 to 6 ft. B&B.....	1.50

**VARIEGATED**—The narrow, pointed, dark green leaves are very effectively variegated with silvery-yellow stripes and streaks. Some of the new growth is entirely yellow adding to it attractiveness. In addition large clusters of double pink flowers streaked with white are produced in abundance.

1 Gallon.....	\$ .50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

### PASSIFLORA PFORDI, Passion Vine

Tropical, evergreen climbing vine. The peculiar charm of this plant lies in the odd shaped and multi-colored blossoms. May be successfully grown indoors. Outdoor plantings need protection from freezing at temperatures under twenty degrees.

1 Gallon, Staked.....\$ .60

### PHOENIX CANARIENSIS, Ornamental Date Palm

A very stately and beautiful palm with light green leaves. Rapid growing, forming a crown of gracefully curved fronds.

1 Gallon.....\$ .60  
5 Gallon.....1.50  
18 to 24 in. B&B.....1.25  
24 to 30 in. B&B.....1.50  
30 to 36 in. B&B.....2.00  
4 to 5 ft. B&B.....6.00  
5 to 6 ft. B&B.....7.50  
6 to 7 ft. B&B.....10.00

### PHOTINIA DENTATA, Chinese Photinia

One of the finest of the large evergreen shrubs. Dark green, well toothed leaves contrast nicely with the reddish tints of the new growth. White blossoms borne in clusters in the spring. The field grown plants offered here are grafted on Quince to insure safer handling and transplanting.

1 Gallon.....\$ .60  
5 Gallon.....1.50  
30 to 36 in. B&B.....1.50  
3 to 4 ft. B&B.....2.00

### PINUS CANARIENSIS, Canary Island Pine

A beautiful, silvery-blue ornamental Pine. Slender upright growth. Should be planted in sunny, protected areas.

1 Gallon.....\$ .60

### PINUS HALEPENSIS, Aleppo Pine

An excellent ornamental pine having attractive light green needles of medium length. Rapid growing with a columnar habit. Does well in dry, alkaline soils with a minimum of care.

1 Gallon.....\$ .60  
5 Gallon.....1.50

### PITTOSPORUM TOBIRA, Green Pittosporum

Dense evergreen shrub with shiny dark green leaves. Has a rather low habit of growth and responds well to trimming. Fragrant white flowers borne in clusters.

1 Gallon.....\$ .60  
12 to 15 in. B&B......75  
15 to 18 in. B&B.....1.00  
18 to 24 in. B&B.....1.25

### PITTOSPORUM TOBIRA VARIEGATA, Variegated Pittosporum

One of our most beautiful broadleaf evergreens. Light green leaves pleasingly mottled with white to silver variegations. Slower growing than its green counterpart, but just as hardy.

1 Gallon.....\$ .60

### PLUMBAGO CAPENSIS, Blue Plumbago

Attractive shrub of very desirable habits producing clusters of blue flowers all summer. Full sun or partial shade. Freezes down in winter but usually comes out again in spring.

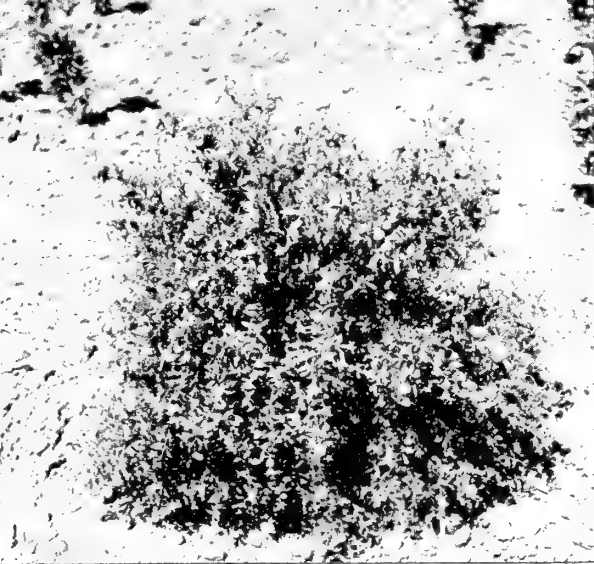

1 Gallon.....\$ .60

### PLUMBAGO CAPENSIS ALBA, White Plumbago

Same characteristics as the blue type except the flowers are white.

1 Gallon.....\$ .60

*Spanish Ruby Pomegranate*

*Ornamental Date Palm*

*Variegated Pittosporum*

#### PODOCARPUS MACROPHYLLA, Japanese Yew

Bright green needle-like flat leaves. Fine evergreen conifer growing in a columnar habit. Easily trained by slight pruning.

1 Gallon.....	\$ .60
15 to 18 in. B&B.....	1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	1.75

#### POINSETTIA HENRIETTA ECKE, Double Poinsettia

Produces large heads of brilliant red blooms in late fall or early winter. This is the finest of double flowering sorts for outdoor planting. Should be placed in protected locations.

1 Gallon.....	\$ .60
---------------	--------

---

*PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.*

#### PRUNUS CAROLINIANA, Cherry Laurel

Large, heavy-growing evergreen shrub with dark glossy green foliage. White flowers in spring followed by small blue-black berries. Responds to shearing very well. An excellent landscape plant.

1 Gallon.....	\$ .60
5 Gallon.....	1.50
18 to 24 in. B&B.....	1.25

#### PUNICA CHICO, Dwarf Carnation-Flowering Pomegranate

Fine deciduous flowering shrub. Leaves light green with bright red, carnation-like flowers in summer which are very showy. Non-fruiting variety.

1 Gallon.....	\$ .60
15 to 18 in. B&B.....	.80
18 to 24 in. B&B.....	1.00

*Red Pyracantha—5 Gallon*

#### PUNICA GRANATUM NANA, Spanish Ruby Pomegranate

Semi-deciduous, compact growing, hardy dwarf shrub. One of the most attractive plants that we grow. Ideal for borders, edgings, hedges, and individual plantings. From spring until fall the plant is covered with orange-red tubular blossoms. Small ornamental fruit adds to its charm. Freezes back during winter months but comes out readily each spring.

1 Gallon.....	\$ .60
5 Gallon.....	1.25
12 to 15 in. B&B.....	.65
15 to 18 in. B&B.....	.75
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25

#### PYRACANTHA GRABERI, Graber's Firethorn

Glossy green foliage, large berries of bright red color borne in large clusters. A large, vigorous growing plant. One of the finest varieties of Pyracantha available. Individual colored labels supplied with each plant.

1 Gallon.....	\$ .75
5 Gallon.....	2.00

#### PYRACANTHA VICTORY, Victory Firethorn

Vigorous red-berried Pyracantha producing good clusters of large, red berries which are retained into early winter.

1 Gallon, Staked.....	\$ .75
5 Gallon, Staked.....	2.00

#### PYRACANTHA WYATTI, Wyatt Firethorn

One of the hardiest Pyracantha standing below zero temperatures. Attractive light green foliage, orange-red berries.

1 Gallon, Staked.....	\$ .75
-----------------------	--------

#### RAPHIOLEPIS OVATA

Handsome evergreen shrub with rounded, dark green leaves. White, slightly pinkish flowers add to its value.

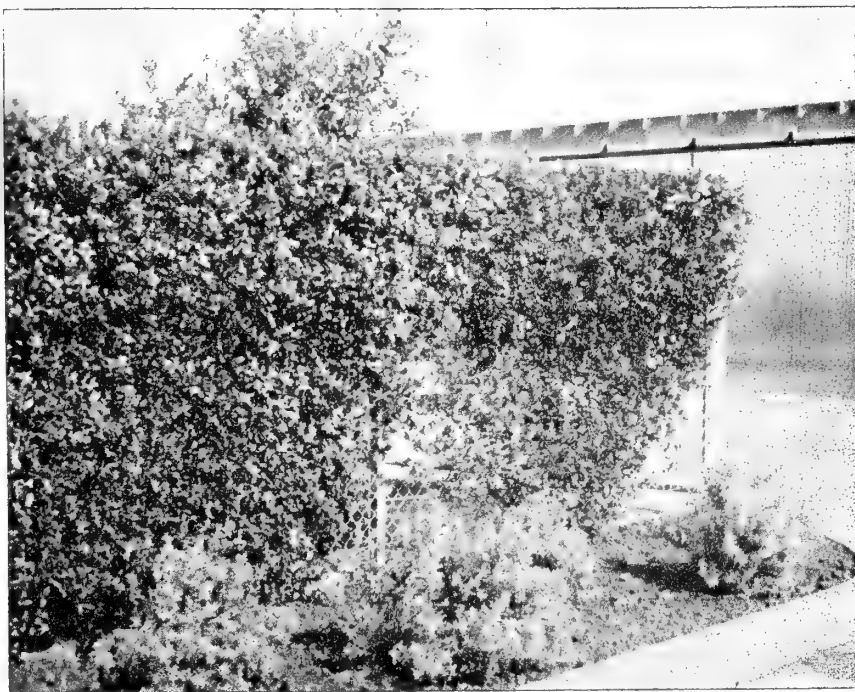

1 Gallon.....	\$ .60
---------------	--------

#### RHYNCHOSPERMUM ASIATICUM,

Yellow Confederate Jasmine

Very similar to the regular white Star Jasmine, except slower growing and flowers are yellowish-white. Used extensively as a ground cover plant.

1 Gallon, Staked.....	\$ .75
-----------------------	--------

Confederate or Star Jasmine established on chain-link fence with Compact Senisa in the foreground. The dark green foliage of the Confederate Jasmine and the silver-grey foliage of the Senisa make a very pleasing color contrast. The Confederate Jasmine is the ideal vine for establishing on chain link fences, providing beauty as well as privacy.

#### **RHYNCHOSPERMUM JASMINOIDES, Confederate Jasmine**

Also called Star Jasmine. A strong growing vine with deep green, leathery foliage. Bears panicles of white, star-shaped, very fragrant flowers in Spring and early Summer. Does well in either sun or shade. Ideal for planting on chain link fences. Note example in photo.

1 Gallon, Staked.....\$ .75

#### **SALIX CAPREA, French Pussy Willow**

Upright deciduous shrub. Green leaves, whitish beneath. Large and showy catkins appearing before the foliage in early Spring. This is an especially good type of flowering Pussy Willow.

3 to 4 ft. B&B.....\$1.00

#### **SANTOLINA CHAMAECYPARISSUS, Lavender Cotton**

A hardy, shrubby, much branched plant growing not over 18 to 24 inches in height having evergreen, silvery gray leaves. Produces small globular heads of yellow flowers in summer. Excellent for bedding and borders.

1 Gallon.....\$ .60

18 to 24 in. B&B.....1.00

#### **SENECIO CONFUSUS, Orange Glow Vine**

Good climbing vine having attractive dark green leaves and producing single orange-red blossoms in clusters. Very showy when in bloom.

1 Gallon, Staked.....\$ .60

#### **SOPHORA SECUNDIFLORA, Mountain Laurel**

Small tree or large shrub with upright-growing branches clothed with dark green elliptic to oblong leaves. Produces beautiful violet-blue racemes of blossoms in the spring which are very fragrant. Grows well in most locations, although rather slow.

1 Gallon.....\$ .60

*Cape Honeysuckle*

*Confederate Jasmine*

*Passion Vine*

*Red Pyracantha*

*Fan Palm*

### **SPIREA REEVESIANA FLORA-PLENA,**

#### **Double Bridal Wreath**

Deciduous shrub with arching branches that are covered with a profusion of clusters of double white blossoms in spring. Very hardy. This is the best known and most popular double flowered kind.

18 to 24 in. B&B.....\$ .75

30 to 36 in. B&B.....1.00

### **TECOMA CAPENSIS, Cape Honeysuckle**

Beautiful glossy green pinnate leaves. Vigorous grower usually handled as a shrub by light pruning. Produces clusters of orange-red trumpet-shaped blossoms. Plant in partial shade or full sun. Winter kills but makes a rapid comeback in the first warm days of spring.

1 Gallon.....\$ .60

### **THUNBERGIA ERECTA**

Attractive small shrub with loose spreading branches, semi-erect in growth. It has small dark green leaves and large deep purplish-blue Gloxinia-like flowers which have yellow throats and are white at the base. Tender evergreen blooming during Summer and Fall months.

1 Gallon.....\$ .60

### **TRITOMA GRANDIFLORA, Red Hot Poker**

Also known as Torch Lily. Excellent perennial producing spikes of showy red flowers in the Spring. Should be planted in open sunny places for best results.

1 Gallon.....\$ .60

### **VERBENA PERUVIANA, Red Verbena**

Good ground cover plant of spreading habit producing flat clusters of bright red flowers.

1 Gallon.....\$ .60

## VIBURNUM JAPONICA

Fast growing shrub with light green rather large leaves resembling English Laurel. Produces clusters of white flowers.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

## VIBURNUM SUSPENSUM

A very fine evergreen shrub. Heavy dark green leaves with clusters of white flowers. Will do well in partial shade.

1 Gallon.....	\$ .60
5 Gallon.....	1.50

## VIBURNUM TINUS

A more compact and dense grower than the Robustum type. Small pointed leaves, light green in color. Produces flat heads of creamy white flowers, having a pink shade while still in bud. An outstanding plant for general landscape use.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	1.75

## VIBURNUM TINUS ROBUSTUM

An intermediate evergreen shrub with dark green foliage. A good landscape plant. Does well in sun or partial shade. Produces clusters of white flowers having a pink blush. Resistant to pest and disease problems.

18 to 24 in. B&B.....	\$1.25
24 to 30 in. B&B.....	1.50
30 to 36 in. B&B.....	1.75

*Washingtonia Filifera*

## WASHINGTONIA ROBUSTA, Mexican Fan Palm

Popular, well known, tall growing Fan Palm. This is the type with narrow bole, crowned with dark green fronds. It does not endure as much cold as the Filifera and plantings should be limited to the Coastal and Southern areas.

18 to 24 in. B&B.....	\$1.00
-----------------------	--------

## WASHINGTONIA FILIFERA, Fan Leaf Palm

Well known, large growing fan leaf Palm. This is the type that has heavy, thick trunks, and does not grow as tall as the Robusta. The fronds are dark green, making noble specimens. Of the two Fan Leaf species offered we have found this variety capable of withstanding considerable more cold weather.

3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00

Purple Wistaria

#### WEIGELIA ROSEA, Pink Weigelia

Easily grown deciduous flowering shrub preferring moist soil and a sunny location. Large, bright green foliage, large clusters of rose-pink trumpet shaped flowers.

30 to 36 in. B&B.....\$1.00

---

*If you have not ordered from us before, give us a try. All of our field grown, balled and burlapped plants are well developed, of better quality and better value. Stock that you will be proud to offer your customer. We will always do our best for you.*

#### WISTARIA, PURPLE

No more lovely sight can be imagined than a Wistaria in full bloom. The fragrant purple-blue flowers are produced by the hundreds and completely envelope the tree or vine in the spring. It is our pleasure to offer a superior strain—one that blooms freely and at a very young age.

##### VINES:

18 to 24 in. B&B.....	\$1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

##### TREES:

3 to 4 ft. B&B.....	\$2.50
---------------------	--------

#### YUCCA PARVIFLORA, Red Yucca

Very hardy plant reaching a height of about thirty inches. Blooms on spikes of three to four foot height. Will grow in any type soil and stand cold to fifteen below zero.

1 Gallon.....	\$ .60
15 to 18 in. B&B.....	1.00

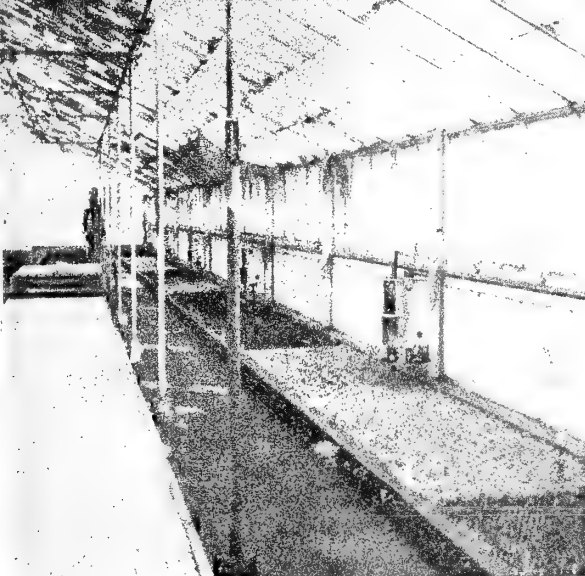

#### XYLOSMA SENTICOSA

Very graceful shrub with light green glossy foliage. New growth having a reddish tint. Useful in landscape work.

18 to 24 in. B&B.....	\$1.00
-----------------------	--------

*Nothing Sold at Retail*

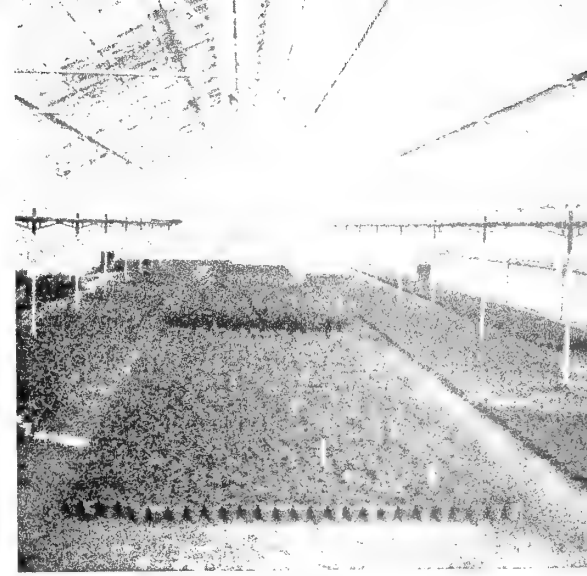

*Propagating section in one of our steel frame greenhouses. The starting place for our **BETTER QUALITY—BETTER VALUE** stock. Proper handling from fresh cuttings to the finished product makes a difference.*

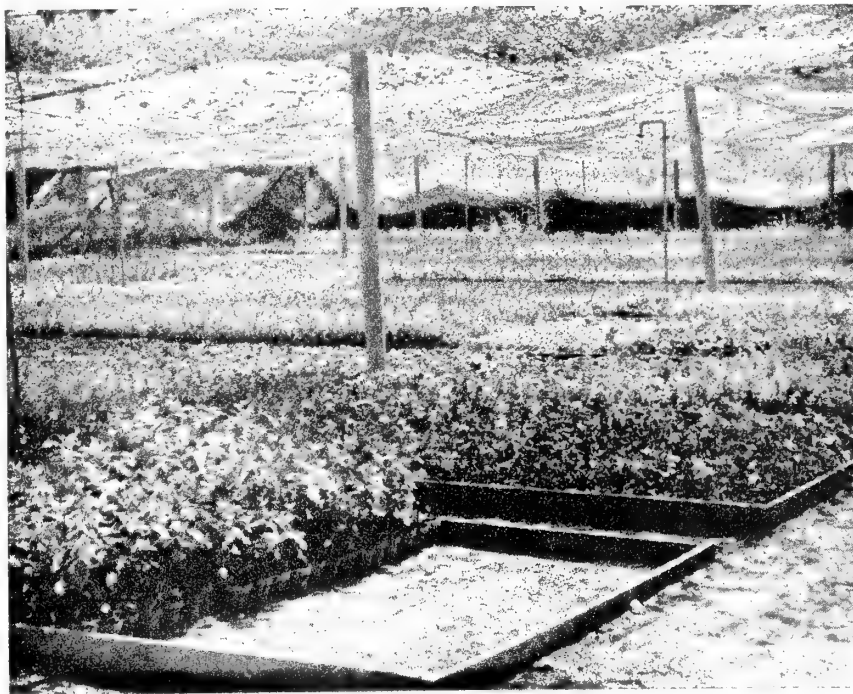

*One of our saran cloth houses filled with 3 in. potted liners. Concrete floor, overhead sprinklers help produce the finest quality lining-out stock. A standard 3 in. pot is used exclusively in our liner production.*

*View of another modern all-steel frame greenhouse. Used for growing the large quantities of lining-out stock necessary to maintain a production level of over one million field and container plants.*

*Pictured at right is a section of lath house area where lining-out stock is grown. Concrete bottom beds keep liners from rooting into the ground. You will note that the area is equipped with overhead sprinkler system.*

*The best facilities for the production of highest quality is the theme of our entire growing program.*

## Lining-Out Stock

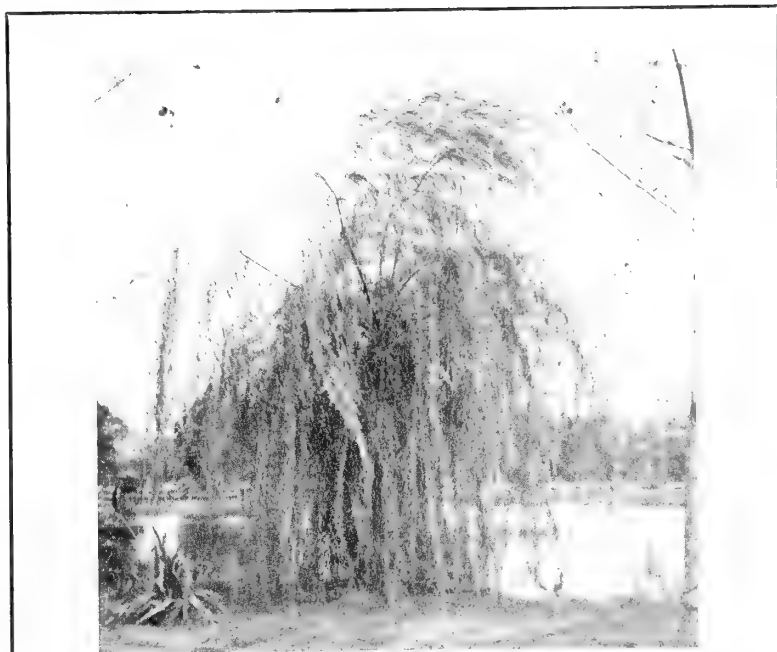

3 Inch Pot Size

**A Bigger, Better, More Vigorous Plant.**

**Special Supplemental Lists Covering Availability of Lining-Out Stocks Will Be Forwarded At Various Times During The Year.**

# SHADE AND ORNAMENTAL TREES

When you Need Trees, Think of ALDRIDGE as we are a Leading  
 • • Source of Choice Shade and Ornamental Trees. Available Balled and • •  
 Burlapped or Bare-Root with some Varieties Available in Containers.

*Salix Blanda*

**WISCONSIN WEEPING WILLOW**—One of the very finest weeping willows. Fast Growing with dark brown stems and good sized dark green leaves. Its greatest value is its symmetrical growth with a minimum of pruning.

## ACER DASYCARPUM, Silver Maple

Ornamental tree with wide-spreading, slender branches, growing best in good, moist soil, but succeeds almost anywhere. Deeply cleft leaves, green above, silvery white beneath. Rapid growing.

# FRUIT STOCKS

**Be Sure you Stock and Sell the Best — ALDRIDGE Grown Fruit Trees.**

**Greater Vigor, Vitality — Longer Life, Heavier Productivity bring customer satisfaction. Proper varieties available for your area.**

## APPLES

Apples will grow and make beautiful trees in south Texas but very little production of fruit. They are

entirely successful from the central hill country northward, however. We offer a good supply of well developed trees.

*Summer Champion Apples*

➤ **DOUBLE RED DELICIOUS**—One of the finest red apples. Strong red skin, delicious flavor, large, crisp and juicy. Not self-fertile. Plant with Yellow Delicious.

➤ **SUMMER CHAMPION**—Known also as Holland. The best apple for south and southwest plantings. Produces good size, dark red, smooth, firm juicy-fleshed fruit. A consistent bearer. Self-fertile, does not need a pollinizer.

➤ **YELLOW DELICIOUS**—The finest apple in its class. Self-fertile, an excellent pollinizer. Produces large, golden yellow, crisp, firm, delicious fruit.

3 to 4 ft. B.R.	\$ .50
4 to 5 ft. B.R.	.60
5 to 6 ft. B.R.	.75
6 to 8 ft. B.R.	1.00

## APRICOT

Apricots are not only valuable fruit trees but highly ornamental as well. Their attractive foliage is preceeded by beautiful blossoms in the spring. The upright growing tree is ideal for locations where a smaller ornamental tree might be needed.

Our trees are budded on the finest root stock for maximum productivity and longest life. The best varieties are grown including the following:

➤ **BLLENHEIM**—Medium oval fruit, orange and deep yellow flesh. A leading commercial variety on the West Coast. Has produced fruit consistently in our test orchards the past several years. Late June.

➤ **MOORPARK**—One of the better known and more popular Apricots. Large fruit, deep orange in color with a dark red cheek. Very juicy, firm flesh of delicious flavor. Late June.

➤ **PERFECTION**—Early ripening Apricot with large, uniform fruit, orange-yellow in color with a rosy blush. Good flavor, sweet and juicy. Hardy, vigorous growing tree. Early June.

➤ **ROYAL**—A fine Apricot for all sections. Among the most dependable bearers. Good size fruit, dull yellow with orange blush. Mid June.

*Moorpark Apricot*

➤ **TILTON**—The big heart-shaped fruits are among the largest of all Apricots. Highly colored fruits being a deep, rich orange. Thrifty, vigorous growing tree. Early June.

All Apricots priced at:

3 to 4 ft. B.R.....	\$ .50
4 to 5 ft. B.R.....	.65
5 to 6 ft. B.R.....	.80
6 to 8 ft. B.R.....	1.00

## FIGS

A warm temperature fruit, although it will stand ten degrees under favorable conditions. We offer the following varieties:

- **BROWN TURKEY**—Medium sized, bell shaped Fig, purplish black in color. Flesh amber, shading to pink. Fruit solid, excellent quality. Very hardy and prolific.
- **HARRISON EVERBEARING**—Medium sized, rather pear shaped, coppery-brown color with amber colored flesh. Ripens early, bearing constantly until frost.
- **IMPROVED BLACK MISSION**—One of the finest figs that can be grown. Large fruit, dark purple to black with an overlay of amber at their base. Excellent quality and flavor. They begin bearing in early to mid-July and continue until cold weather.

Prices on the above varieties:

15 to 18 in. B.R.	\$ .25
18 to 24 in. B.R.	.30
2 to 3 ft. B.R.	.40
3 to 4 ft. B.R.	.50

- **CELESTIAL**—Small to medium, violet to purplish-brown fig. Flesh white, shading to rose at center. Firm, juicy, sweetest of all. Excellent quality.

3 to 4 ft. B.R.	\$ .50
4 to 5 ft. B.R.	.60
5 to 6 ft. B.R.	.75

Brown Turkey Figs

## CHERRY

➤ **HANSEN'S BUSH CHERRY**—A bush type Cherry with prostrate or semi-erect habit of growth. Very hardy, standing adverse conditions well. Thickly foliated with attractive bright green leaves making it very ornamental. Heavy producer of good quality fruit for home use.

24 to 30 in. B&B.....\$1.00

---

*Growing under ideal conditions with the very best of growing techniques, cultivation and irrigation we will produce the finest quality fruit trees that money can buy. You will be proud to offer these trees to your customer.*

- **WHITE KADOTA**—Medium sized, lemon yellow in color. Amber pulp with very few seeds. Very good variety for canning and drying. Limited quantity available.

15 to 18 in. B.R.....	\$ .30
18 to 24 in. B.R.....	.40
2 to 3 ft. B.R.....	.50
3 to 4 ft. B.R.....	.60

## GRAPES

The Grape is one of the oldest domesticated fruits. It seems to have been cultivated at the dawn of history. Its product was apparently no rarity in Noah's time. We offer excellent quality vines of the following species in considerable quantities:

- **BLACK SPANISH**—Heavy and regular producer of small to medium size grapes in fair clusters. Popular for juice and jelly.

Hvy. No. 1, B.R.....	\$ .25
----------------------	--------

- **CONCORD**—Round solid blue-black fruits of medium size. Well known and very popular.

Hvy. No. 1, B.R.....	\$ .15
Hvy. No. 2, B.R.....	.10

*Concord Grapes*

- **EDNA**—Loose large clusters of good size oval white grapes. Normally seeded with moderately tough skin. Because of excellent foliage and good growing habits is ideal for arbor plantings. A good white table grape.

Hvy. No. 1, B.R.....	\$ .15
Hvy. No. 2, B.R.....	.10

- **THOMPSON SEEDLESS**—Large clusters of medium size light golden seedless grapes. Excellent sweet flavor.

Hvy. No. 1, B.R.....	\$ .20
----------------------	--------

---

*PLEASE NOTE: All fruit stock prices are based on a minimum of ten of a kind and size. An advance of twenty percent will be invoiced on quantities less than this minimum.*

## PEACHES

We offer an excellent stock of trees established on Lovell Root stocks. The successful growing of Peaches depends upon selection of the proper varieties for a given section. Included in our production are those varieties that will do well in mild winter areas. Ripening dates are average for our area.

✓ **CHILLOW**—Large yellow cling with slight red tinge on cheek. One of the finest eating Peaches having unsurpassed flavor and fragrance. An outstanding variety doing well in all areas. Early July.

✓ **DIXIE RED**—Yellow clingstone with red blush. Flesh firm, matures early, attractive appearance, early July.

✓ **ELBERTA**—Large yellow freestone. Probably the best known and widest distributed peach in the country. For maximum production, however, it must have a longer dormancy period. Should be planted only as far south as the Texas hill country.

✓ **FRANK**—Large yellow cling. Sweet, firm, of good canning quality. Widely planted but not adapted as well as Chilow for South, Southwest, and Gulf Coast Texas. Mid-July.

✓ **GOLDEN JUBILEE**—Yellow freestone with attractive red blush. Excellent flavor with juicy, firm flesh. Does best from south-central Texas northward. Early July.

✓ **LEONA**—Large yellow freestone with red cheek. Without doubt the finest yellow freestone peach available for South Texas planting. Succeeds elsewhere as well. Early July.

✓ **LUTTICHAU**—Medium size, sweet, honey type. White freestone with pink cheek. Surest bearer withstanding late frosts without serious crop loss. Every home orchard should have one of this variety. Does well in warm areas. Mid-June.

✓ **MAYFLOWER**—Red-blushed white, semi-free-stone. A favorite for early market and home use. A widely known and distributed variety. Mid-May.

✓ **MELBA**—White freestone with red colored cheeks. Distinguished by regular bearing and high quality of fruit. A good variety for southern areas. Late June.

✓ **PALLAS**—Medium sized white freestone of the Honey type. Regular heavy bearer. Another outstanding variety for South Texas planting. Delicious sweet flavor. Late June.

✓ **NECTAR**—White fleshed freestone of large size. Firm, juicy, fine textured. Fine flavor and distinctive aroma. Early July.

4 to 5 ft. B.R.....	\$ .60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	1.00

## NECTARINE

➤ **GOLD MINE**—Large white, red blushed freestone. Juicy white flesh with excellent qualities for home use. Early August.

➤ **MABLE**—Large red-cheeked, white fleshed Nectarine of good quality. Ripens late July.

4 to 5 ft. B.R.....	\$ .60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	1.00

## PEARS

Very popular fruit tree of the genus *Pyrus*. Pears, as a rule, do not come into bearing until several years after planting. They live longer than any other fruit tree, however. We offer an excellent stock of the following varieties:

➤ **BARTLETT**—Large smooth yellow fruit with sweet white flesh. One of the best known and most popular pears.

➤ **DOUGLAS**—Excellent soft pear, ripening early. The fact that it bears at an early age adds to its outstanding qualities.

➤ **GARBER**—Vigorous growing, reliable pear of good eating qualities. Fruit large and firm.

➤ **IMPROVED KIEFFER**—A seedling sport of Kieffer, ripening earlier with softer flesh of good eating quality. Seems as vigorous as its parent. Good sized fruit produced in abundance.

➤ **KIEFFER**—The old standby, growing and producing in almost all areas. Hardy, robust tree. Large hard fruit, cooking type, but good quality when well ripened. Fruit an attractive yellow.

➤ **LECONTE**—Attractive bell shaped fruit, creamy yellow with slight blush. An excellent variety bearing consistently good medium, soft fruit. Vigorous, upright growing tree.

➤ **MONTERREY**—A new pear of our own introduction showing great promise. Vigorous, thrifty growing tree. Fruit has a distinctive apple shape. Soft, well flavored yet the flesh has a desirable crispness. Seems to do very well under adverse conditions.

➤ **PINEAPPLE**—Medium sized fruit of good quality. Heavy producer, firm and keeps well.

3 to 4 ft. B.R.....	\$ .50
4 to 5 ft. B.R.....	.60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	1.00

## PEAR ON QUINCE

We also offer pears budded on quince rootstock. They are more drought and heat resistant and will grow and produce better in dry, alkaline regions. The trees will not grow quite as large, but this may have its advantages. Some of these trees are multi-caned but all may be pruned to one single stem. The multi-stem trees are popular as ornamental trees as well. We offer two varieties, see descriptions above.

### LECONTE:

6 to 8 ft. B&B.....	\$1.50
---------------------	--------

### KIEFFER:

5 to 6 ft. B&B.....	\$1.25
---------------------	--------

*Santa Rosa Plum*

## PLUMS

Plums often bear the second year after planting. They are an ideal fruit for jelly, canning, preserving, and are most delicious for eating fresh. All of our plum trees are established on the finest rootstock, *Prunus Marianna*.

Months of ripening given are the average in our area. Ripening dates will vary from several days to several weeks, depending on weather conditions and geographical location.

➤ **ALLRED**—Outstanding, colorful red foliage all season. Good sized, deep red fruits of good quality. Unsurpassed as a beautiful and colorful landscape tree.

➤ **BRUCE**—Well known early ripening red plum. Medium sized fruit of a bright red coloring, reddish-amber flesh. Good market as well as home use variety. Consistent bearing adds to its popularity. June.

➤ **BURBANK**—Large, purplish-red plum with yellow, delicious flesh. A very prolific variety. Excellent eating and commercial plum. Late June.

➤ **EXCELSIOR**—A purplish-red colored plum with greenish flesh. One of the best for planting in South Texas and the Gulf Coast area. Late June.

➤ **MARIPOSA**—Large purple red fruit with blood red flesh. A variety showing promise for our Southwest area. Ripens some three weeks after Santa Rosa. July.

## PERSIMMONS

Unfortunately we have a very limited quantity of these fine fruit trees available this year. They make very attractive trees with large, dark green leaves which turn to lovely colors in the fall. The big, orange-red fruit continues to hang on the tree until they are soft ripe.

➤ **EUREKA**—A very hardy variety with delicious, near seedless fruit. Big orange-red fruits freely produced.

➤ **TANI NASHI**—Bright orange seedless fruit of good quality. Bears young and produces heavily.

3 to 4 ft. B.R. .... \$1.50

*(Plums Continued on Next Page)*

## PLUMS, continued:

➤ **MEREDITH**—New variety doing extremely well in the Southwest. Fruit large, nearly round. Greenish-red skin with yellow-amber flesh. Tender, juicy, very sweet and keeps well. An excellent commercial and home variety. Ripens about two weeks after Bruce. June.

➤ **METHLEY**—One of the better varieties. Strong, vigorous growing tree. Medium to large dark red fruit. Flesh amber tinged with red. Good shipper. Ripens just before Santa Rosa. June.

➤ **SANTA ROSA**—Big, purplish crimson fruit. Delicious amber colored flesh, crimson and pink veined. Tops in quality for market or home use. Bears heavily each year. June.

➤ **SATSUMA**—The well known Japanese Blood Plum introduced by Luther Burbank. Large, round dark red fruit. Firm, juicy, well flavored. July.

➤ **WICKSON**—One of the finest of the yellow plums. Large fruits, nearly round overlaid with pinkish cast. Flesh firm, pit small. Fruit keeps excellently. Vigorous, upright growing tree. Ripens July.

3 to 4 ft. B.R.....	\$ .50
4 to 5 ft. B.R.....	.70
5 to 6 ft. B.R.....	.80
6 to 8 ft. B.R.....	1.00

## POMEGRANATE

➤ **WONDERFUL**—Attractive shrub or tree producing large fruits, pale green, blushed red. Flesh rich red in color, juicy with sweet flavor. The large double red carnation-like blooms make it a valuable landscape item. May be planted individually or as hedges. Good for home fruit use as well.

18 to 24 in. B.R.....	\$ .30
24 to 30 in. B.R.....	.40
30 to 36 in. B.R.....	.50

B&B.....	1.25

## FLOWERING CRABS

Very popular small ornamental shade and flowering trees producing tasty fruit as well. They are prized chiefly for their spectacular spring blossoms but their culinary and landscaping uses are myriad. They are hardy in all sections, easy to grow.

➤ **ELEYI**—Single purple-red blossoms, attractive reddish foliage in the spring.

➤ **HOPA**—In the spring it is completely covered with fragrant bright pink flowers.

➤ **SCHEIDECKERI**—The double blossoms are a light pink blended with white. Vigorous upright grower clothed with dark green foliage.

4 to 5 ft. B.R.....	\$1.00
5 to 6 ft. B.R.....	1.25
6 to 8 ft. B.R.....	1.50

# NUT STOCKS

Produced in a Good Selection of Varieties on the Finest Root Stock.

• • Proper Care during Growing Season - Proper Care in Digging and • •  
Shipping Assures you of the Best that can be had.

## WALNUTS

✓ THOMAS BLACK—Large thin shelled nut with delicious plump kernels easily removed. Produces nuts at a very young age, usually within two or three years after planting. Adaptable to a wide area, growing and bearing in all sections.

Very hardy, fast growing, disease resistant. Thomas Black makes an ideal shade tree, clothed with attractive dark green leaves.

We offer a large supply of especially nice quality trees this year. They have been carefully grown under ideal conditons and should please the most discriminating.

New low prices in keeping with our policy of supplying Better Quality - Better Value stock.

## ✓ GOODWIN CARPATHIAN ENGLISH

A new hardy strain of English walnut discovered in the Carpathian Mountains of Poland. Trial plantings in various parts of the country indicate its ability to withstand severe cold, as well as hot, dry conditions of the South and Southwest. The tree will bear young and produce heavily. The quality of the nut is excellent.

It is our pleasure to offer a selected, superior strain of this new walnut. It grows into a beautiful specimen tree. This is a must item for your sales yard.

## PECANS

➤ **BURKETT**—Good sized round nut, reasonably thin shelled. Plump kernel of excellent quality and flavor. Better adapted to western areas.

➤ **DELMAS**—A large, rather thick shelled productive variety of very sturdy growth. The tree itself is very symmetrical, excellent for individual planting. Good quality nuts and kernels.

➤ **GARNER**—Good size oblong nut, thin shelled with plump kernel of good quality. Better adapted for western area planting.

➤ **MAHAN**—One of the most widely planted and distinct varieties. Large, long nut, thin shelled. Frequently not filling well in some areas, but of excellent quality when it does. Healthy, vigorous tree which makes a beautiful shade specimen. Upright grower, large dark green foliage.

➤ **MOORE**—A medium sized, rather thin-shelled nut of excellent quality. Fast growing, highly productive variety. One of the better commercial varieties for eastern planting.

➤ **SUCCESS**—Always in demand because of its excellent flavor, large plump kernels, reasonably thin-shelled oblong nuts. Regular, heavy bearing adds to its popularity. Vigorous growing attractive tree.

➤ **WESTERN SCHLEY**—Large, long nut, cracking well, with plump kernel of high quality. Tree a vigorous grower, very productive, doing well over a wide range.

Grown in a good rich loam soil with no fertilization of any kind, plus an abundance of irrigation water properly applied produces a pecan tree of unexcelled quality. Due to proper digging, storing and handling they transplant with an unusually high degree of success.

Our trees are available either bare-root or individually packed. The pack consists of a large quantity of packing material, sufficient to cover the entire root system without trimming it back and wrapped in new burlap. They will stay in excellent shape in the sales yard with an occasional watering.

Prices are as follows:

Size	Bare-root	Packed

# PATENTED ROSES

*These Varieties are Grown and Sold Under License  
From the Patent Owner*

## GRANDIFLORAS:

### BUCCANEER—Plant Patent No. 1119

Long, slender, tapering buds that show no color other than a clear sunny yellow. The opening flowers are cup shaped, having a moderate fragrance, and holding their brilliant coloring well.

Retail, each.....\$2.50; 3 or more, \$2.20 each.

### MONTEZUMA—Plant Patent No. 1383

A rich scarlet-orange that is different—unlike the color of any other Rose. A profusion of shapely buds, big, showy, long lasting blooms on a vigorous plant.

Retail, each.....\$2.75; 3 or more \$2.40 each.

### ROUNDELAY—Plant Patent No. 1280

Beautifully formed deep red buds opening into a neat, full, high centered bloom of vivid glowing red. Its vigorous growth and continual blooming habit are hard to beat.

Retail, each.....\$2.50; 3 or more, \$2.20 each.

## FLORIBUNDAS:

### CHINA DOLL—Plant Patent No. 678

A bright cheerful pink which ages well and the old flowers drop off cleanly. The plant is very dwarf, almost thornless and with its glossy mildew-resistant foliage is perfect for a low hedge or border.

Retail, each.....\$2.25; 3 or more \$2.00 each;  
25 or more \$1.70 each.

### CIRCUS—Plant Patent No. 1382

A gay show of red, yellow, orange, buff and pink, all with variation. Perfect flower form, long lasting substance and a beautiful medium size plant.

Retail, each.....\$2.50; 3 or more \$2.20 each;  
25 or more \$1.90 each.

### EMBERS—Plant Patent No. 1178

Brilliant, semi-double scarlet blooms borne in profusion. Rounded, moderately spreading, vigorous grower.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

### FANFARE—Plant Patent No. 1385

Fine, vigorous tall growing plant. Becomes a mass of salmon-pink as large clusters of double flowers envelope the plant.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

### FROLIC—Plant Patent No. 1179

Flowers are borne in large clusters with each perfect bud opening to a double bloom of clear bright pink. Growing 2 to 3 feet in height, the plant is extremely vigorous.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

**MOONSPRITE—Plant Patent No. 1450**

A low to medium size plant, beautifully foliated, free blooming. The flowers are many petaled, high centered, and they shade from pale gold to snowy white.

Retail, each.....\$2.25; 3 or more \$2.00 each;  
25 or more \$1.70 each.

**PINKIE—Plant Patent No. 712**

Low growing bushy plant loaded throughout the season with slender little pink buds, perfect in form, opening to fully double two inch flowers. Marvelous for a low hedge or border.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

**REDCAP—Plant Patent No. 1292**

Both the clusters and individual blooms are much larger than usual for a floribunda. The wavy petaled flowers open a bright vermillion deepening to a rich velvety crimson.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

**STARLET—Plant Patent App. For**

A good floribunda with flowers of clean, clear yellow which grows vigorously, blooms bounteously and finishes well. Appealing features is its fine color, the perfect form of each little bud and double bloom and its attractive low growing habit.

Retail, each.....\$2.50; 3 or more \$2.20 each;  
25 or more \$1.90 each.

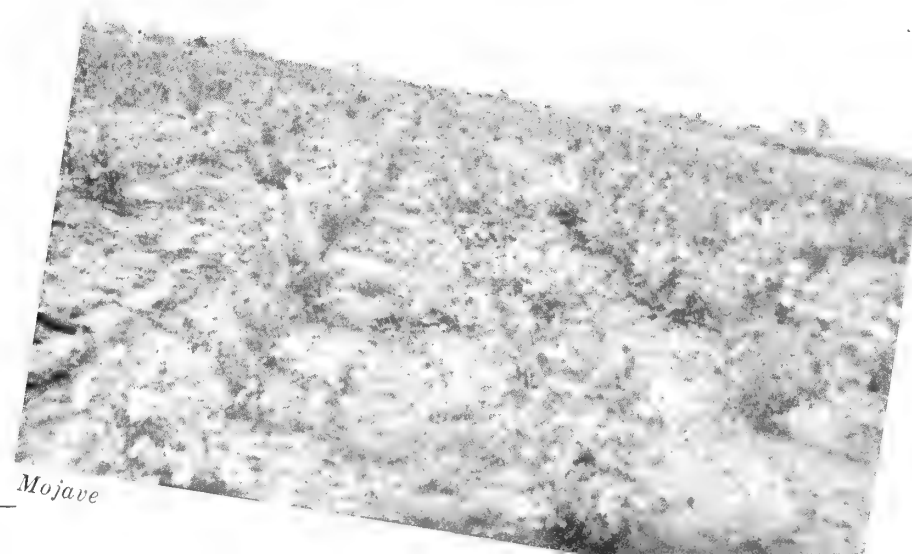

**VALENTINE—Plant Patent No. 1029**

One of the brightest Floribundas you'll find. Flowers of glowing red appearing in high clusters which entirely envelope the low growing compact bush.

Retail, each.....\$2.00; 3 or more \$1.75 each;  
25 or more \$1.50 each.

*Pinkie*

*Mojave*

## HYBRID TEAS:

### APPLAUSE—Plant Patent No. 829

Dazzling light red, the flowers are large, high centered, and mildly fragrant. Last well when cut.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### BRAVO—Plant Patent No. 983

Sparkling cardinal red which holds its color extremely well. Plump buds open to big, broad flowers with wavy petals, perfectly arranged.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### CHARLOTTE ARMSTRONG—Plant Patent No. 455

Marvels of beauty are the lovely, long, carmine-red buds with their perfect streamlined form and the magnificent open flowers of rich cerise.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### CHIEF SEATTLE—Plant Patent No. 1030

The buds and flowers are usually perfect in form and are a rich buff-apricot shading to old gold.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### FANDANGO—Plant Patent No. 894

The attractive buds, deep scarlet in color, open to lovely, wavy petaled blooms of a bright chinese red.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### FORTY-NINER—Plant Patent No. 792

Inside, the petals are a vivid orient red, while outside, they are chrome to straw yellow.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### LA JOLLA—Plant Patent No. 1103

At the outer edges, the fluted petals are delicately flushed with soft pink, showing a darker veining. Each petal, as it opens, recurves gracefully from the cream and gold colored heart of the blossom.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### MIDNIGHT—Plant Patent No. 1542

A deep dark red-black rose, vigorous plant, mildew resistant. Perfectly formed, long slender buds, graceful long lasting blooms. A spice-like fragrance.

Retail, each.....\$2.75; 3 or more \$2.40 each.

### MIRANDY—Plant Patent No. 632

Big ovoid buds of deep red unfolding to a huge full bloom of dark glowing red with a most delicious fragrance.

Retail, each.....\$2.25; 3 or more \$2.00 each.

### MOJAVE—Plant Patent No. 1176

Long stemmed beautiful tapering buds which open to big, pleasantly fragrant, richly colored flowers. Glowing orange with overtones of scarlet and vermillion.

Retail, each.....\$2.75; 3 or more \$2.40 each.

### NOCTURNE—Plant Patent No. 713

Perfectly formed deep velvety crimson with deeper maroon hues. Vigorous, showy plant. Excellent cutting qualities.

Retail, each.....\$2.25; 3 or more \$2.00 each.

## CLIMBERS:

### CLI. CHARLOTTE ARMSTRONG—Plant Patent No. 523

It features the same exquisite buds and beautiful open blooms which has made Charlotte Armstrong an international favorite.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### CLI. FORTY-NINER—Plant Patent No. 1094

The big well shaped buds and flowers with their contrasting colors have been admired from coast to coast.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### CLI. LOWELL THOMAS—Plant Patent No. 1448

Extremely hardy variety doing well in all areas. Free-bloomer displaying a host of canary yellow buds and blooms.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### CLI. NOCTURNE—Plant Patent No. 1088

Exquisitely formed, ideal cutting roses of deep velvety crimson with deeper pools of maroon. A vigorous grower.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### CLI. PICTURE—Plant Patent No. 524

Hundreds of beautiful, long-stemmed, perfectly formed buds and flowers, each a perfect picture in clear rose-pink.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### CLI. PINKIE—Plant Patent No. 1076

The same perfect little buds and double flowers that characterizes the bush Pinkie. Produces cluster after cluster of dainty flowers from spring until fall.

Retail, each.....\$2.75; 3 or more \$2.40 each.

*Frolic*

### HIGH NOON—Plant Patent No. 704

Brilliant sunshiny yellow that stays rich and unfading. Does not quit after the spring bloom but continues to produce a wealth of brilliant buds and flowers throughout the rest of the season.

Retail, each.....\$2.50; 3 or more \$2.20 each.

### MONA LISA—Plant Patent No. 1459

New everblooming pink climber. Large, luxuriant foliage is studded with huge double flowers which are just about perfect in form. Attractive salmon-pink color with an unsurpassing fragrance.

Retail, each.....\$2.75; 3 or more \$2.40 each.

2.75	1.75	1.50	1.38	1.30	1.20	

Retail prices on larger quantities are indicated after the description of each variety.

These patented Rose varieties may not be offered in groups or collections of other varieties.

The above retail price of these varieties may be reduced not more than 3% from the three rate in an advertised collection of three or more.

*Pictured to left: A view of section "C" of our container growing area. In the far background may be seen our 5 gallon stock of red Pyracantha. Assorted 1 gallon stock in the foreground. Note the absence of weeds in both photos. Container areas are sterilized prior to their being used in order to control weeds and grasses. Every effort is made at all times to grow the best a little better.*

*Pictured at right: A view of a portion of section "B" of our container area. In this picture thousands of young, 1 gallon Pyracantha Graberi may be seen. Each plant is staked and carefully pruned and tended until ready for your sales yard. Only Redwood stakes are used on the one gallon Pyracantha. This type of growing, though costly, assures the availability of a BETTER QUALITY, BETTER VALUE plant.*

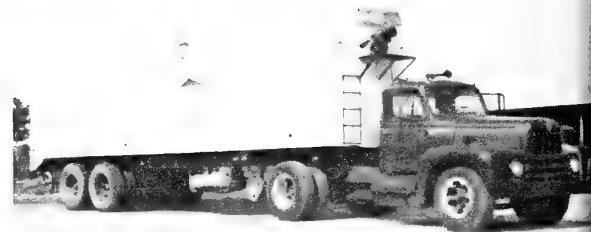

One of our modern trailer trucks used in delivery operations. These trucks are ready to roll to any part of the nation in delivering orders.

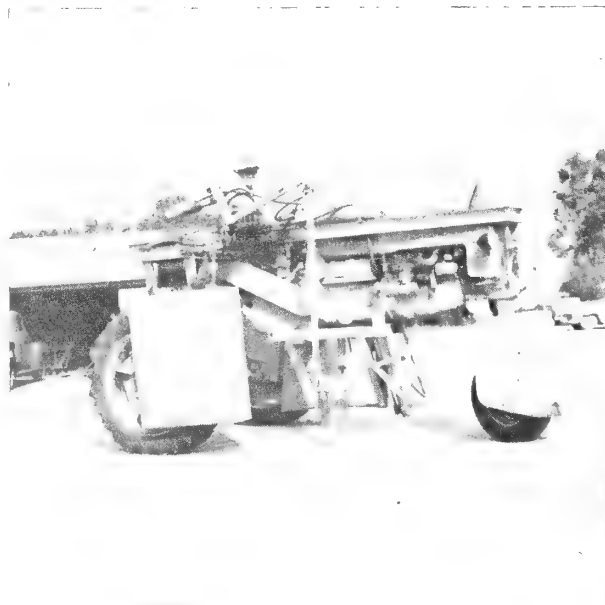

A portion of our fleet of over 25 units, ready to get your orders out in the quickest and most efficient manner. Every effort is made to give you the type of service you prefer.

Another tandem trailer unit used in effecting delivery of our BETTER QUALITY—BETTER VALUE stock. All units are kept in top shape in our own shop.

See Page 70 For Schedules On Delivery Charges To Your Nursery

Pictured at right is our special nursery tractor. It is used to dig bare-root stock; by the row or individual selection. Also invaluable is the balling attachment with which it is rigged in the picture. All attachments for this digger are fully controlled by hydraulic rams operated conveniently from the driver's seat.

Pictured at left is three of the six tractors used in our operation. Our usually clean fields of nursery stock testify to our being adequately equipped to properly care for growing stock. Quality plants cannot be grown in the midst of weeds and grass. Other necessary equipment such as soil grinders, land planes, graders, ditchers, mowers, etc., constitute the balance of our machinery and equipment.

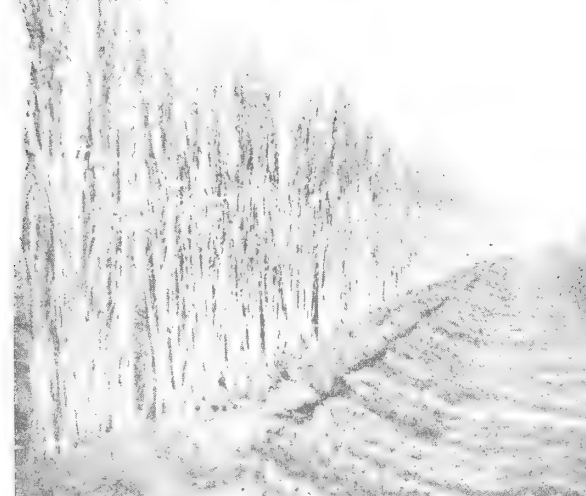

All fruit trees are machine dug assuring the finest root system that money can buy. The above photo is another indication of the **BETTER QUALITY — BETTER VALUE** stock grown by Aldridge.

Grading crew at work on fruit stocks. We are noted for our full grading and every precaution is taken to assure that each tree is banded in its proper grade.

Fruit tree heel-yard. After digging trees are bedded in as above and irrigated assuring you of receiving trees in best of condition. Proper care is exercised in handling all bare-root stock.

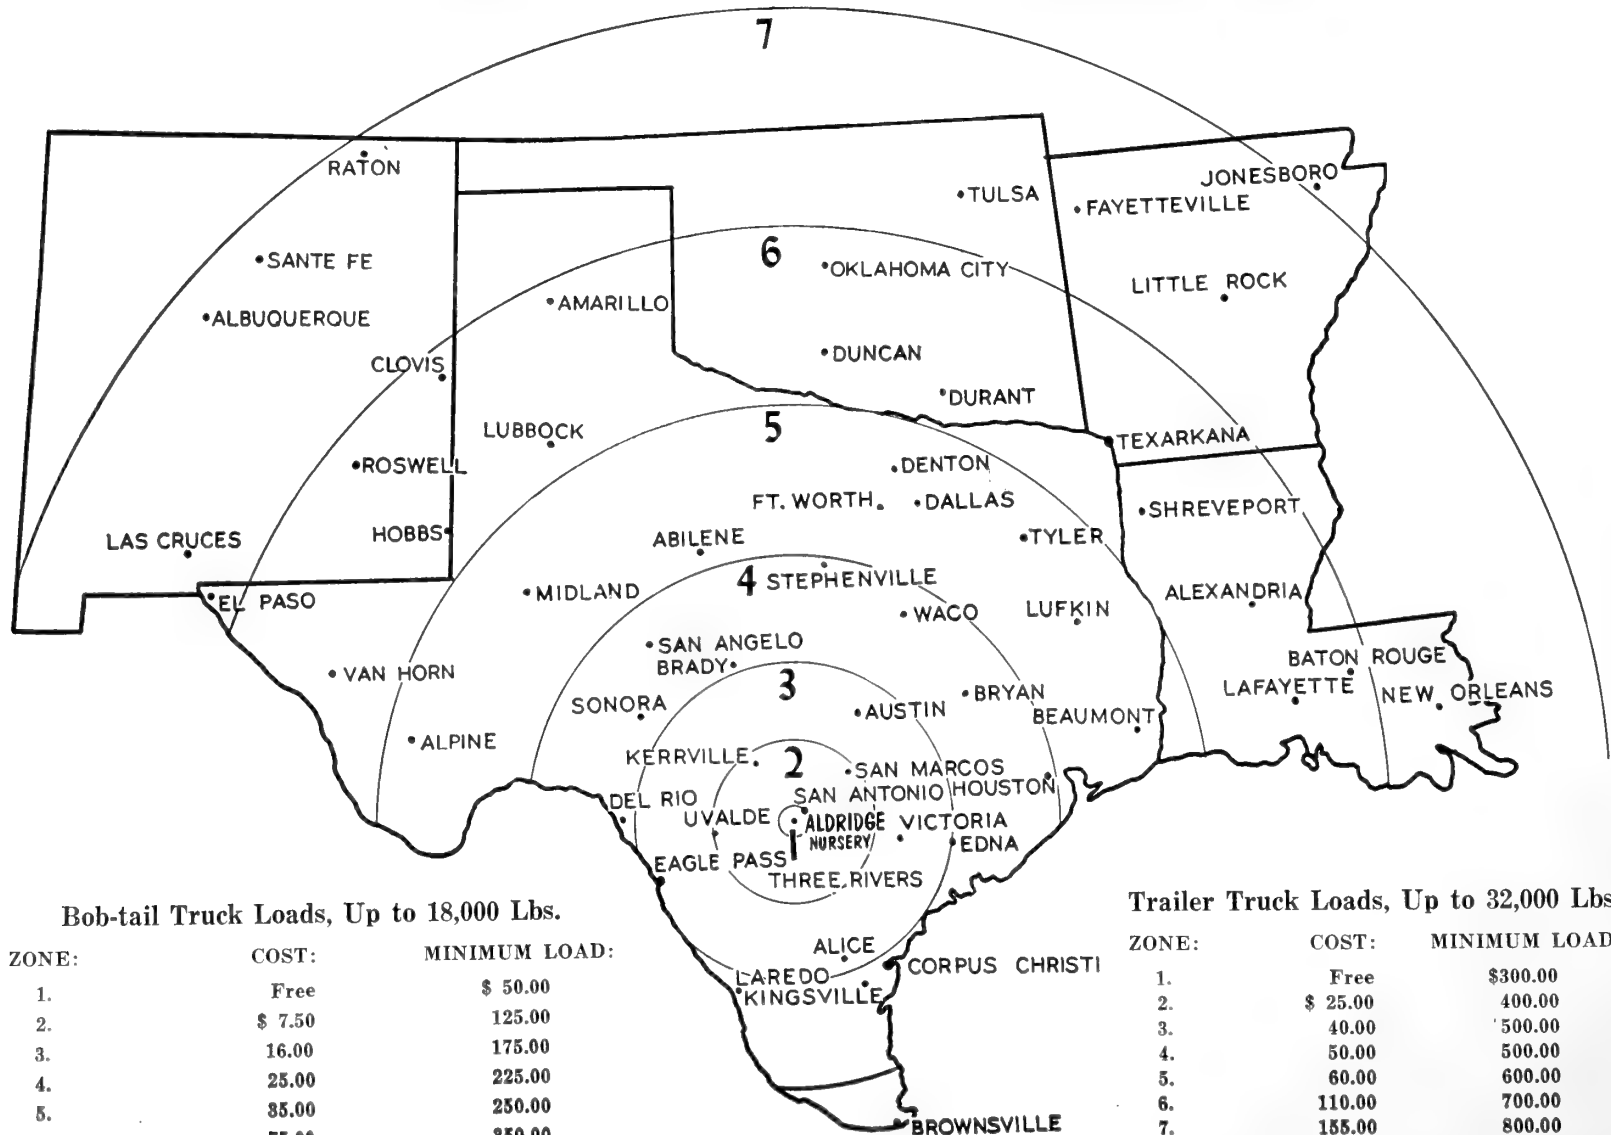

Pictured at right is a section of our can processing yard. All cans used for growing container stock are cleaned, punched and painted to inhibit rust. NO plants are grown in unpainted cans. There is nothing as unsightly on a sales yard as rusty tin cans. On ordering from us you can be sure that every plant is growing in a painted can.

Another saran cloth house used for growing lining-out stock. This floor, as well as all pot areas, is concreted to keep liners from rooting into the ground.

# SERVICE CHARGES

For your convenience in determining your *exact* delivery costs we have prepared the zoned map below. All prices indicated are for one stop truck load deliveries of the minimum amount. On combined loads—add 10% per additional stop, this is then equally prorated to the amounts of each order. Write us for full trailer loads beyond the areas indicated. **WE DELIVER ANYWHERE.**

# . . INDEX . .

*For your convenience we are indicating the page numbers of the below items appearing in this catalogue. You will find both the Botanical and Common names included in this listing. This is not a complete index but includes most shrubs and trees listed. All varieties are arranged alphabetically under each section. See page 1 for location of each section.*

*We have numerous other items in addition to those listed herein of insufficient quantities to warrant listing. Supplementary lists covering these and other items will be forwarded at regular intervals.*

# Please Read Before Ordering:

## LOCATION

Our Nursery is located 12 miles southwest of San Antonio, just off the Pan-American Highway. Visit us. The welcome mat is always out.

## DELIVERY

Free delivery in the San Antonio area. On more distant deliveries we will be glad to deliver on our own trucks on a net cost basis, another of our services to the retail nurseryman. Consult Page 70 for your exact delivery costs.

## TERMS

Our regular terms are cash. No exceptions. A thirty-day charge account may be opened by submitting references and allowing time for them to be investigated. All such accounts are due and payable by the 10th of month following date of delivery.

All accounts 60 days past due will be charged 6% interest per annum to cover additional mailing, handling and bookkeeping costs.

## CLAIMS

Claims must be made within ten days after receipt of goods. If an error has been made by us, please notify us promptly and we will do everything possible to correct the matter.

## DATED OCTOBER 1, 1958

Prices subject to change without notice. This list cancels all previous quotations.

*NON-WARRANTY—We give no warranty, expressed or implied, the purchaser assuming all risk and responsibility of transportation, growth, planting, life of stock or any other matter on any stock we sell. We send out good stock, carefully grown and packed but cannot control conditions after it leaves our care. We exercise the greatest care to keep our stock true to name and are willing to replace on proper proof any stock that may prove otherwise, or refund the amount paid us for such stock, but it is mutually agreed that we shall not at any time be liable for any greater amount.*

## PRICES

All prices are at our Nursery. Positively no discounts allowed. It is understood that all orders accepted are subject to stock at time of delivery. Prices in this catalog are based on a minimum of ten of a kind and size. An advance of twenty percent will be invoiced on quantities less than this minimum.

## FUTURE ORDERS

Orders booked in advance for fall and winter delivery may be revised as needed on January 1st. All future orders undelivered by February 1st become null and void unless further definite instructions for delivery are made.

## TELEPHONE

Ask your long distance operator for Jarratt, Texas (Toll station out of San Antonio). Telephone number OSborne 5-3461.

## TELEGRAPH

Address all telegrams and night letters to the Aldridge Nursery in care of the San Antonio, Texas, Western Union Office.

## MAIL

Address all correspondence to our Von Ormy, Texas Offices.
